THE ADVANTAGES OF A ZERO CARBON READY BUILDING

315 & 325 Allendale Road is a zero-carbon ready industrial development meaning it is designed and constructed to be capable of achieving net carbon emissions, through on-site renewable energy generation and energy efficiency measures.

TENANT BENEFITS

- Cost savings: Potential energy cost savings through efficient design and renewable energy sources.
- Reduced maintenance costs: Energy-efficient design and reduced wear and tear on equipment.
- Environmental benefits: Reduced carbon footprint and contribution to a sustainable future.
- Enhanced brand reputation: Demonstrating a commitment to sustainability and reducing environmental impact.
- Improved occupant health and well-being: Enhanced indoor air quality and reduced exposure to pollutants.
- Competitive advantage: Attracting and retaining top talent and customers who value sustainability.
- Future-proofing: Ability to adapt to changing business needs and energy requirements.
