DESCRIPTION

This suite in our newly developed community is perfectly designed to meet your business needs. This space features one office, a restroom, and a 12-foot roll-up door, all within a fully temperature-controlled workspace.

Key highlights of this suite include:

- Utilities and Internet Services: Powered entirely by electricity, utility management is straightforward. Tenants cover the monthly costs for electricity and prewired internet service through Comcast or AT&T. Water for standard office use, dumpsters, and exterior surveillance are provided by the Landlord.
- Lease Terms: A minimum lease term of three years is required, ensuring a stable foundation for your business operations.
- Liability Insurance: Tenants must provide general liability insurance in the amount of \$1,000,000 per occurrence.

This is a prime opportunity to establish your business in a modern workspace designed for efficiency and success.
