# LOCATION OVERVIEW

# NEIGHBORHOOD AMENITIES

## JON & VINNY'S

The new Jon & Vinny's location straddles the Hyde Park/View Park border, on a very busy stretch of Slauson near Overhill.

The vibrant block has transformed considerably over the last few years, with neighboring spots like 2018's Hilltop Coffee + Kitchen and the barely-year-old Jerusalem Chicken (one of Eater LA's local restaurant picks) competing for customers alongside longstanding community staples like Simply Wholesome.omnienimus.

## SWEETGREEN HEADQUARTERS

Sweetgreen is a "fast casual" salad restaurant with a mission to build healthier communities by connecting people to real food. Nathaniel started the company with two of his Georgetown classmates, Nicolas Jammet and Jonathan Neman, after they graduated college. "We found a little 560 square foot shack just off of campus," Ru recalls. "We took a chance to start a restaurant. We had no experience, were extremely over budget and delayed."

The founders learned by doing. They built relationships with local farmers. "The original thesis was really, 'How do we make it ingredient driven and not recipe driven?'" he says. That resonated with the college crowd and the first restaurant was blooming.
