

ABOUT THE PROPERTY

DAI Commercial is pleased to present a 5.7-acre redevelopment and investment opportunity along the rapidly growing Ogeechee Road (HWY 17) corridor. The offering includes multiple parcels totaling approximately 5.7 acres, an approximately 1,800-square-foot turnkey building, and a portion of the site currently operating as a car lot. With approximately 380 feet of frontage on Ogeechee Road, the property offers exceptional visibility, access, and exposure.

Positioned within one of the area's fastest-growing commercial corridors, the site supports a wide range of potential uses, including retail, automotive, flex space, storage, service businesses, multifamily, and other commercial or mixed-use developments. Existing improvements provide immediate functionality and potential income while allowing for future redevelopment or expansion.

Ownership may assist in rezoning efforts, creating additional opportunities to maximize the site's development potential. Combined with strong traffic counts, substantial frontage, and a prime location within Savannah's growth path, this property presents an exceptional opportunity for investors, developers, and owner-users.
