INVESTMENT STRATEGY

Our exclusive Broker, Auction Section, is pleased to offer the Forrest City Arkansas Portfolio, a 224 unit value-add portfolio with 9 different buildings located in Forrest City, AR.

The **Forrest City, AR Portfolio** – Prospective purchasers have the opportunity to increase value through furnished units which will rent for more than \$600 more per month per unit. It costs \$2,000 to furnish an apartment. The seller will provide a list from Amazon on exactly what they buy to furnish a unit. This furniture pays for itself in 3-4 months. HUD has a waiting list of over 50 approved applications. As soon as we get an apartment ready an HUD tenant rents it which is guaranteed rent from the Government.

INVESTMENT HIGHLIGHTS

TENANTS ARE RESPONSIBLE FOR THE FIRST \$250 OF ANY REPAIR.

224-UNIT PORTFOLIO PROVIDES IMMEDIATE SIGNIFICANT RENT INCREASES IN FORREST CITY, AR

ALL PROPERTIES ARE HUD ELIGIBLE AND HUD HAS OVER 50 APPROVED APPLICATIONS THAT NEEDS HOUSING

WELL-POSITIONED ASSET PRIMED FOR VALUE-ADD IMPLEMENTATION

SUPPLY CONSTRAINED MARKETS PRIME FOR ORGANIC RENT GROWTH

IDEALLY SITUATED NEAR EDUCATION, MEDICAL, GROCERY, & RETAIL

THE PROPERTY

224 -Unit Portfolio Provides Immediate Scale in Forrest City, AR

224 units in each market, the properties provide immediate scale and an opportunity to take advantage of operational efficiencies. The portfolio offers a buyer the opportunity to own 70% of the Forrest City inventory.

**Seller is guaranteeing 100% Occupancy at Closing.
Any vacant unit seller will sign 1 year lease, paid up front at closing**

INVESTMENT STRATEGY

Lower Expenses Due to Tenant responsible for the first \$250 in all repairs

Our leases have in place the tenant is responsible for all repairs under \$250. 90% of all expenses and maintenance calls are covered under this provision in the lease. We put this measure in place so our time and focus can be on turning units for new tenants.

Exceptional Basis Compared to Recent Sales

The properties are being offered at a highly attractive going in basis relative to recent trades across the immediate market and region. The properties are being offered well below replacement costs.

Supply Constrained Markets Prime for Organic Rent Growth

The low number of deliveries in Forrest City markets should give owners confidence that their occupancy will remain strong, even as they make strategic interior upgrades and push rents. Further, the top-end of the market has not been tested.

Ideally Situated Near Education, Medical, Grocery, & Retail

The Forrest City portfolio sits in the heart of town adjacent to the Walmart Supercenter. Just minutes away sits the East Arkansas Community College, Forrest City High School, and Forrest City Medical Center. In addition, the properties are surrounded by an abundance of retail and restaurants.

Large Solar Farm Brings in 100's of new jobs

Flat Fork Solar Farm is a huge solar farm that brings in more jobs as well as the potential for furnished units.

The Flat Fork Solar project is an innovative solar project proposed for St. Francis, Lee and Monroe counties, Arkansas that will have a capacity of up to 200 megawatts of clean, renewable, American-made solar energy. The Flat Fork Solar project is more than solar panels — it represents a significant capital investment in Arkansas. Once operational, it will create good-paying jobs and millions in additional revenue for the local community.

VANTAGE POINT

FORREST CITY, AR

Located on the western slope of Crowley's Ridge is Forrest City, Arkansas, which is surrounded by rich, Delta farmland. Though incredibly quaint, the area has been known as a center for commerce and trade since its incorporation in 1870, which makes it the right environment for companies seeking competitive workforce training, prime logistical real estate, and low utility rates, among other benefits. The small town boast plenty of charm, and is perhaps best known for its idyllic setting, excellent education system and unrivaled southern hospitality that never goes on holiday.

With friendly people, little traffic congestion, and a down-home atmosphere, Forrest City is the ideal spot to work and play, especially with its relatively low cost of living driven by affordable housing, utility, health care and transportation. The county seat of St. Francis County is notably experiencing a period of growth following several years of planning, building, and refocusing industrial recruitment efforts. Further, the city offers small town convenience with big city appeal, boasting quick and easy access to the Memphis, Little Rock and Jonesboro metropolitan areas which have recently incurred an influx of monumental growth.

MARKET OVERVIEW

ECONOMIC INCENTIVES

St. Francis County and Forrest City each administer a local economic development sales tax targeted solely toward incentives. Industries which meet the criteria qualify for up to \$1.5 million in a one-time cash grant, based on current revenue projections which can then be used for building or site improvement, construction, or equipment. Both areas also offer an abatement of up to 65 percent of local property taxes for industrial projects financed with industrial revenue bonds, over the life of the bond issue.

Forrest City also participates with the Arkansas Economic Development Commission in each of the incentives offered through the Consolidated Incentives Act of 2003, which include the following:

- Advantage Arkansas, a state income tax credit based on new payroll created
- Tax Back, a rebate of a majority of local and state sales and use taxes on expenditures made in the construction, renovation, or purchase of equipment related to start-up or expansion
- Training funds available through assorted state workforce training programs, which can range from custom designed training offered at the local community college to on-the-job specialized training on company-owned equipment
- CREATE Rebate, a discretionary incentive of five percent of payroll for new employees (\$2 million annual payroll required) for up to 10 years
- Governor's Quick Action Closing Fund, discretionary cash grants which can be used for any purpose related to the project
- Super-project Incentive, a discretionary incentive available only for very large projects with major economic impact that enables major up-front cash grants

EMPLOYMENT

The city's 12 - county labor shed includes the following nearby counties: St. Francis, Cross, Crittenden, Lee, Phillips, Woodruff, Monroe, White as well as Craighead and Mississippi in Arkansas, and Shelby County in Tennessee. According to World Population Review, the mean household income reported in Forrest City is \$43,999, which is slightly higher for families at \$49,926 while the median household incomes reported in these same categories are \$30,817 and \$35,191, respectively.

EDUCATION

The Forrest City School District educates approximately 4,000 students each year in grades PreK-12, which are fully recognized by the Arkansas Department of Education, North Central Accreditation, and offer Gifted and Talented programs. Public and private educational facilities in the area include, but are not limited to, the following: Lincoln Middle School, Forrest City Junior High, Forrest City High School, The ABC Pre-School, Central Elementary, Stewart Elementary, Calvary Christian School and KIPP Forrest City College Preparatory School.

Additionally, over 80% of the population has a minimum of a high school diploma. There are several major colleges and universities located within easy driving distance of Forrest City including Arkansas State University in Jonesboro and University of Memphis, Rhodes College as well as Christian Brothers University in Memphis, Tennessee. East Arkansas Community College is another full-service post-secondary school that serves eastern Arkansas with affordable academic offerings including core general educational classes that are fully transferrable to other state-supported colleges and universities. Evening courses and distant learning opportunities are also available each semester.

HEALTHCARE

Forrest City Medical Center is accredited by the Joint Commission on Accreditation of Health Care Organizations. It's considered the regional medical center in a six-county area, offering a wide range of services with a capacity of 108 beds, six of which reside in the hospital's intensive care unit.

MONTHLY NET OPERATING INCOME — 2026

Nine-property portfolio in active lease-up following renovation; monthly NOI trending higher through 2026.

The opportunity is the mark-to-market.

In-place rental revenue of **\$874,083** sits well below the rent roll's **\$2,031,888** of market-rent potential — a roughly **\$1.16M** embedded revenue gap.

As renovated units lease to market — supported by furnished-unit premiums (~\$600/unit/mo) and a **50+ applicant HUD waiting list** — NOI and value rise materially above the in-place figures. Nine separately deeded complexes can be bought individually or as a portfolio.
