MARKET OVERVIEW

MARKET OVERVIEW

HISTORIC DOWNTOWN FAIRHAVEN

Nestled between the calm waters of Bellingham Bay and the majestic Cascade Mountains in Washington state, Historic Fairhaven Village is known for its Victorian-era architecture and colorful history.

Fairhaven is home to a variety of unique local businesses, art galleries, restaurants and pubs and one of the best independent bookstores in the nation.

Located on the north end of Chuckanut Drive, within the southern city limits of Bellingham, Fairhaven Historic Village is the perfect launching point for a hike, cycle or kayak on the bay.

HISTORY

Settled in 1853 Fairhaven was one of four early towns that consolidated in 1904 to create the City of Bellingham. In the late 19th century Fairhaven experienced a series of boom and busts, in part due to anticipation by real estate investors who were led to believe that the town would become the terminal of the Great Northern Railroad.

By 1890, Fairhaven was a thriving city. The boom busted, however, when Seattle was chosen as the terminus and the national Panic of 1893 and subsequent changes to liquor laws during Prohibition caused Fairhaven's vitality to wane.

During the 20th century Fairhaven's deep-water frontage proved ideal for manufacturing because of its access to coal and timber. Its lumber and shingle mills and large salmon cannery were among the area's prime industries.

After WWII Fairhaven's population declined when business and industry shifted to downtown Bellingham.

In the early 1970s Fairhaven experienced a renaissance and 1977 was designated as a National Historic District. The village includes 17 historic buildings built between 1888 and 1929.

Fairhaven's business district has enjoyed a recent revival, largely due to the efforts of a private developer who in 1973 acquired and renovated for commercial lease the Mason Block, now the focal point of, the district. Subsequently, other landmarks were renovated, and business was buoyed by a succession of tourist-oriented shops and eating-places.
