DISCOVER THE BOULDER CHIPS ZONE

The Boulder CHIPS Zone is at the forefront of a nationwide effort to rejuvenate and expand the U.S. semiconductor industry—a critical pillar for maintaining technological leadership and economic stability. Aligned with the goals of the CHIPS Act, this initiative channels substantial federal funding and incentives into semiconductor manufacturing, research, and development.

For more information visit:
<https://oedit.colorado.gov/chips-zones-program>

WHY BOULDER MATTERS

Boulder's designation as a CHIPS Zone underscores its strategic position within the semiconductor value chain. As a key player in the national drive to fortify domestic chip production and innovation, Boulder offers:

- 1. State Tax Credits:** Attractive incentives for semiconductor companies, making Boulder an ideal hub for business growth and investment.
- 2. Federal Support:** Local firms gain access to significant federal incentives, fostering a competitive and innovative business environment.
- 3. Collaboration Opportunities:** By facilitating partnerships among businesses, academic institutions, and government entities, the CHIPS Zone accelerates advancements in semiconductor manufacturing and workforce development.

Boulder: Where innovation meets opportunity. Join us in shaping the future of semiconductor production and innovation!

WHAT ARE THE BENEFITS?

-  Business facility new employee tax credit – **\$1,100 per job**
-  Business personal property tax credit – **3% of qualifying investment**
-  Commercial vehicle investment tax credit – **1.5% of purchase price**
-  Job training tax credit – **12% of costs**
-  Research and development tax credit – **3% of expenses**
