The Highlight Group of Equity Union as the exclusive listing agent is pleased to present the opportunity to acquire 333 N. Union Ave., a nine (9) unit apartment property built in 1925. The property is located just south of Temple St, between Burlington Ave and Glendale Blvd., in the South Echo Park neighborhood of Los Angeles.

THE OPPORTUNITY

- **VALUE ADD** – Two (2) units will be delivered vacant with an additional 35.7% rental upside after lease up
- **EXCELLENT UNIT MIX** – Five (5) 1bed+1bath units and Four (4) Guest Rooms
- **LOW UTILITY COSTS** – Tenants pay for trash costs
- **CONVENIENT LOCATION** – Easy walking distance to retail and dining on Temple St. and a very short drive to both the 101 and 110 Freeway.

PROPERTY DESCRIPTION

333 N. Union Ave. is a nine (9) apartment property built in 1925 of wood frame construction and comprised of three separate buildings. The layout consists of a large 4 plex comprised of all 1 bed + 1 bath units at the front of the property, a freestanding 1 bed + 1 bath bungalow in the middle and a 4 plex of 4 guest rooms at the rear of the site. The property totals 4,558 building square feet on a 6,904 square foot lot.

UNIT DETAILS:

1 Bed + 1 Bath Units: These stunning units have 11-foot-tall ceilings, and some units feature unique crown molding elements, built in fireplaces, wood floors, updated appliances, and fixtures as well as split AC systems. Windows are abundant and span floor to ceiling in most rooms. The living spaces include large open kitchens, large bathrooms, and spacious living room areas. Bedrooms are separated from the living area by a large pocket door. The ground floor units also feature access to the common yard area through the kitchens and large outdoor decks.

Guest Room Units: All units feature updated floors, and fixtures as well as window AC units (of which some are a split system). There are two parking spaces at the rear of the guest room 4-plex. Investors can explore the opportunity in the Los Angeles Municipal Code to legally upgrade these units to a light housekeeping designation, which then will allow for installation of a permanent two-burner stovetop/oven.

COMMON AREA DETAILS:

The property is unique in that it features a very large common yard area with a well-maintained garden and seating area for tenants. This is a great amenity that can be another selling point for leasing the property. The front four units are separately metered for electricity and gas, the rear units are mastered metered for electricity but have no gas, all tenants pay for their own trash, and the landlord pays for water. Electrical upgrades have also been recently completed at the property as well.

PROPERTY LOCATION

333 N Union Ave. is located just south of Temple St, between Burlington Ave and Glendale Blvd., in the South Echo Park neighborhood of Los Angeles. The property boasts an incredible Walk Score of 89 out of 100, making it very walkable, and is just steps away from dining and retail on W Temple St. The property is also located within a short drive to Silver Lake, Echo Park, Koreatown, Hollywood and Downtown Los Angeles. Close proximity to both the 101 and 110 Freeways gives tenants access to all the major employment centers including Downtown Los Angeles, West Los Angeles, Pasadena, The South Bay and the San Fernando Valley.

MARKET OVERVIEW

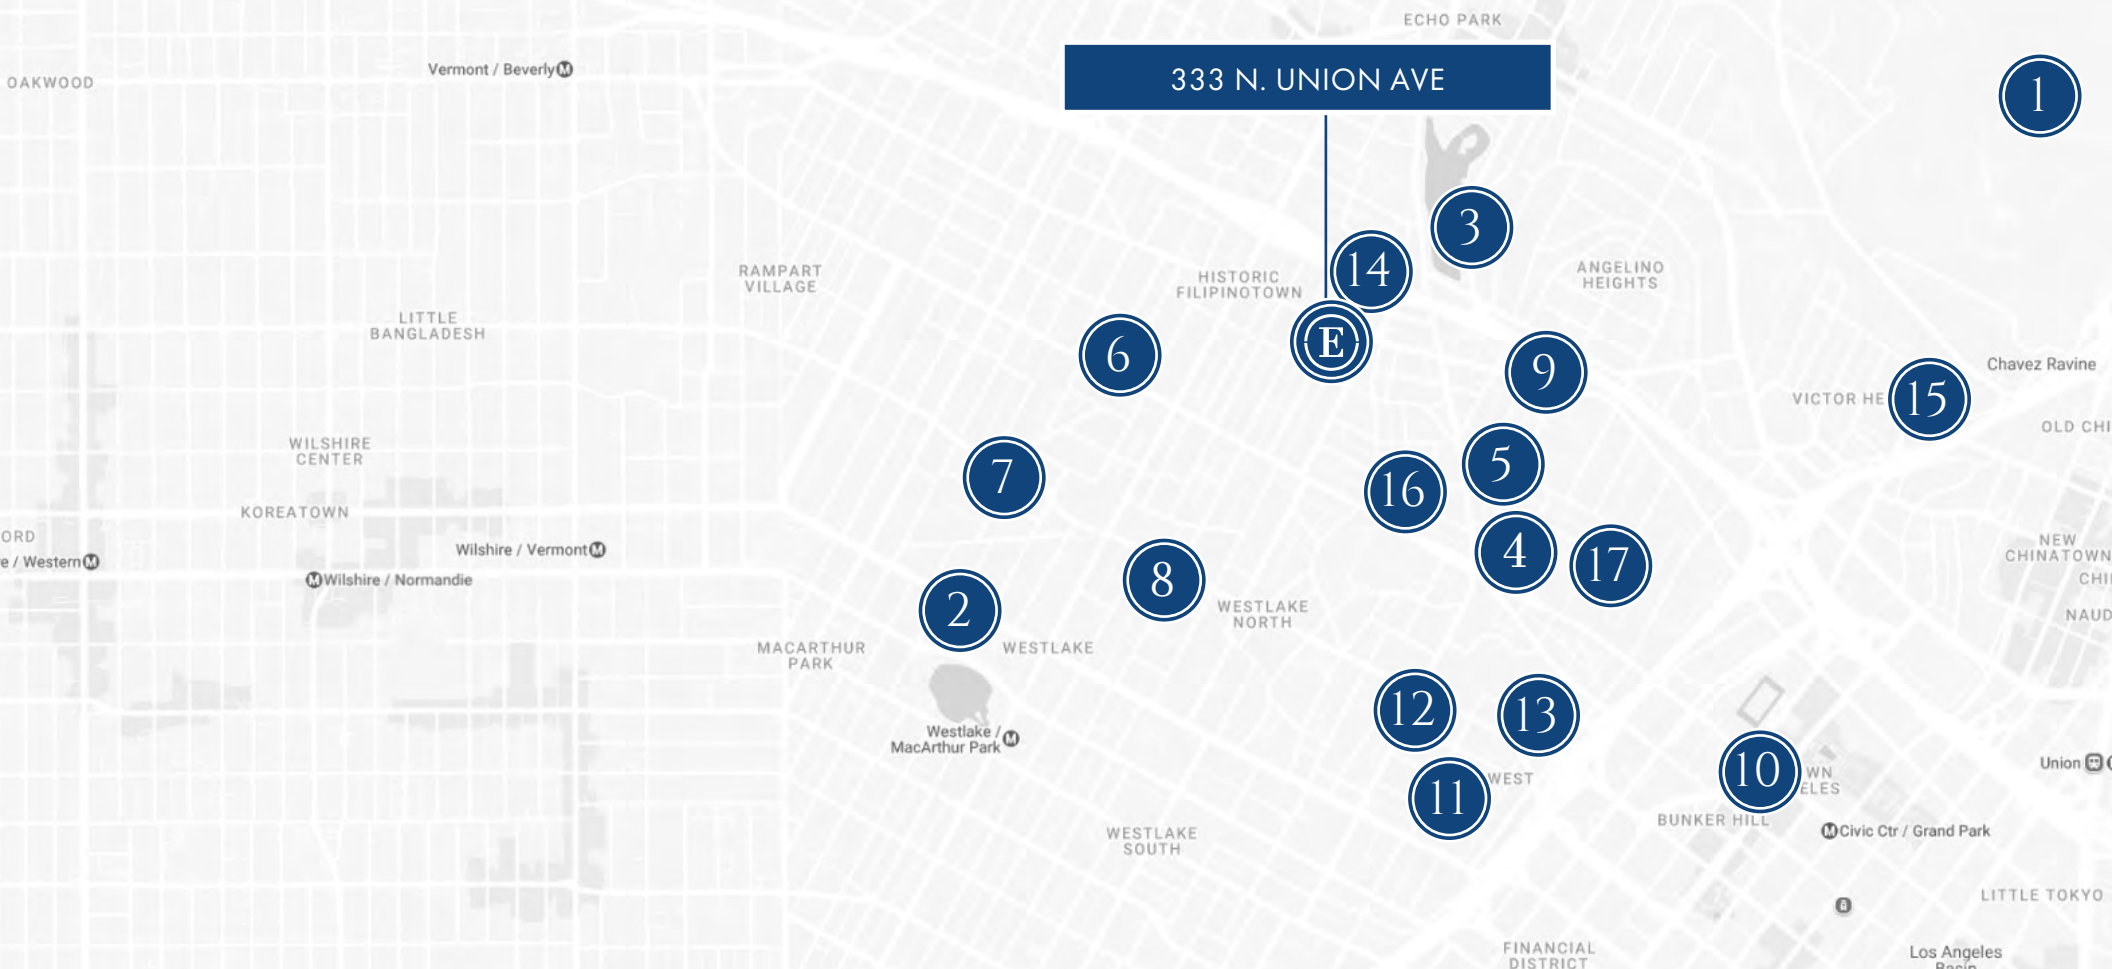

LOS ANGELES METRO APARTMENT MARKET OVERVIEW

Los Angeles apartment market conditions improved in early 2025 after remaining largely steady last year. Year-to-date renter demand has been stronger than last year. However, recent stronger activity still represents among the most modest renter demand, relative to market size, recently seen among major U.S. metros. The market has had the saving grace of one of the most measured completion schedules nationally. Vacancy has declined from 5.0% at the end of 2024 to 4.8% during the second quarter. Recent renter demand has largely kept pace with the delivery schedule. All quality segments have seen occupancies improve in recent quarters, with demand highest in top-tier 4 & 5 Star communities. Looking ahead, market fundamentals are expected to continue to see measured improvements. The outlook anticipates similar renter demand in 2025 compared to 2024. The pace of deliveries will slow due to the moderation in construction starts. The forecast calls for vacancy improvements through the rest of 2025. Given this outlook, rent growth is forecast to improve modestly, with annual growth reaching over 2% by next year.

ECHO PARK OVERVIEW

Echo Park is a vibrant and eclectic neighborhood located just northwest of Downtown Los Angeles. Known for its historic charm, artistic vibe, and a mix of old and new, it has become one of LA's most sought-after areas. In recent years, Echo Park has seen an influx of young professionals and artists, leading to rising rent prices and a shift in the neighborhood's demographic. Echo Park has become a foodie destination, with a mix of trendy coffee shops, craft breweries, and unique dining spots offering everything from vegan fare to classic Mexican cuisine. Market fundamentals remain favorable, with strong rent growth, low vacancy rates, and continued investment activity, making Echo Park an attractive submarket for multifamily investment.
