

Item No.	Item Description	Quantity	Unit	Notes
1	1. Select items that are appropriate for the site being inspected.			
2	2. Apply procedures as outlined in the conditions and safety of the inspection.			
3	3. Apply procedures as outlined in the conditions and safety of the inspection.			
4	4. Apply procedures as outlined in the conditions and safety of the inspection.			
5	5. Apply procedures as outlined in the conditions and safety of the inspection.			
6	6. Apply procedures as outlined in the conditions and safety of the inspection.			
7	7. Apply procedures as outlined in the conditions and safety of the inspection.			
8	8. Apply procedures as outlined in the conditions and safety of the inspection.			
9	9. Apply procedures as outlined in the conditions and safety of the inspection.			
10	10. Apply procedures as outlined in the conditions and safety of the inspection.			
11	11. Apply procedures as outlined in the conditions and safety of the inspection.			
12	12. Apply procedures as outlined in the conditions and safety of the inspection.			
13	13. Apply procedures as outlined in the conditions and safety of the inspection.			
14	14. Apply procedures as outlined in the conditions and safety of the inspection.			
15	15. Apply procedures as outlined in the conditions and safety of the inspection.			
16	16. Apply procedures as outlined in the conditions and safety of the inspection.			
17	17. Apply procedures as outlined in the conditions and safety of the inspection.			
18	18. Apply procedures as outlined in the conditions and safety of the inspection.			
19	19. Apply procedures as outlined in the conditions and safety of the inspection.			
20	20. Apply procedures as outlined in the conditions and safety of the inspection.			

Section	Item No.	Item Description
SECTION 1.0 - GENERAL NOTES	1.01	1.01.1. General notes and specifications shall be read in conjunction with the contract documents.
	1.02	1.02.1. The contractor shall be responsible for obtaining all necessary permits.
	1.03	1.03.1. The contractor shall be responsible for maintaining access to adjacent properties.
	1.04	1.04.1. The contractor shall be responsible for protecting existing utilities.
	1.05	1.05.1. The contractor shall be responsible for maintaining safety during construction.
	1.06	1.06.1. The contractor shall be responsible for maintaining cleanliness of the site.
	1.07	1.07.1. The contractor shall be responsible for maintaining accurate records.
	1.08	1.08.1. The contractor shall be responsible for maintaining communication with the owner.
	1.09	1.09.1. The contractor shall be responsible for maintaining compliance with all applicable laws and regulations.
	1.10	1.10.1. The contractor shall be responsible for maintaining the quality of the work.
SECTION 2.0 - MATERIALS AND METHODS	2.01	2.01.1. All materials shall be of the highest quality and meet or exceed all applicable specifications.
	2.02	2.02.1. All materials shall be tested and approved by the engineer before use.
	2.03	2.03.1. All materials shall be stored and handled in a manner that prevents damage.
	2.04	2.04.1. All materials shall be installed in accordance with the manufacturer's instructions.
	2.05	2.05.1. All materials shall be installed in a manner that ensures proper drainage.
	2.06	2.06.1. All materials shall be installed in a manner that ensures proper ventilation.
	2.07	2.07.1. All materials shall be installed in a manner that ensures proper lighting.
	2.08	2.08.1. All materials shall be installed in a manner that ensures proper sound control.
	2.09	2.09.1. All materials shall be installed in a manner that ensures proper fire protection.
	2.10	2.10.1. All materials shall be installed in a manner that ensures proper security.

Section	Item No.	Item Description
SECTION 3.0 - CONSTRUCTION	3.01	3.01.1. Construction shall be completed in accordance with the approved schedule.
	3.02	3.02.1. Construction shall be completed in a manner that minimizes disruption to the site.
	3.03	3.03.1. Construction shall be completed in a manner that ensures proper safety.
	3.04	3.04.1. Construction shall be completed in a manner that ensures proper quality control.
	3.05	3.05.1. Construction shall be completed in a manner that ensures proper communication.
	3.06	3.06.1. Construction shall be completed in a manner that ensures proper record keeping.
	3.07	3.07.1. Construction shall be completed in a manner that ensures proper compliance.
	3.08	3.08.1. Construction shall be completed in a manner that ensures proper maintenance.
	3.09	3.09.1. Construction shall be completed in a manner that ensures proper training.
	3.10	3.10.1. Construction shall be completed in a manner that ensures proper documentation.
SECTION 4.0 - MAINTENANCE	4.01	4.01.1. Maintenance shall be performed in accordance with the approved schedule.
	4.02	4.02.1. Maintenance shall be performed in a manner that minimizes disruption to the site.
	4.03	4.03.1. Maintenance shall be performed in a manner that ensures proper safety.
	4.04	4.04.1. Maintenance shall be performed in a manner that ensures proper quality control.
	4.05	4.05.1. Maintenance shall be performed in a manner that ensures proper communication.
	4.06	4.06.1. Maintenance shall be performed in a manner that ensures proper record keeping.
	4.07	4.07.1. Maintenance shall be performed in a manner that ensures proper compliance.
	4.08	4.08.1. Maintenance shall be performed in a manner that ensures proper maintenance.
	4.09	4.09.1. Maintenance shall be performed in a manner that ensures proper training.
	4.10	4.10.1. Maintenance shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 5.0 - TESTING	5.01	5.01.1. Testing shall be performed in accordance with the approved schedule.
	5.02	5.02.1. Testing shall be performed in a manner that minimizes disruption to the site.
	5.03	5.03.1. Testing shall be performed in a manner that ensures proper safety.
	5.04	5.04.1. Testing shall be performed in a manner that ensures proper quality control.
	5.05	5.05.1. Testing shall be performed in a manner that ensures proper communication.
	5.06	5.06.1. Testing shall be performed in a manner that ensures proper record keeping.
	5.07	5.07.1. Testing shall be performed in a manner that ensures proper compliance.
	5.08	5.08.1. Testing shall be performed in a manner that ensures proper maintenance.
	5.09	5.09.1. Testing shall be performed in a manner that ensures proper training.
	5.10	5.10.1. Testing shall be performed in a manner that ensures proper documentation.
SECTION 6.0 - INSPECTION	6.01	6.01.1. Inspection shall be performed in accordance with the approved schedule.
	6.02	6.02.1. Inspection shall be performed in a manner that minimizes disruption to the site.
	6.03	6.03.1. Inspection shall be performed in a manner that ensures proper safety.
	6.04	6.04.1. Inspection shall be performed in a manner that ensures proper quality control.
	6.05	6.05.1. Inspection shall be performed in a manner that ensures proper communication.
	6.06	6.06.1. Inspection shall be performed in a manner that ensures proper record keeping.
	6.07	6.07.1. Inspection shall be performed in a manner that ensures proper compliance.
	6.08	6.08.1. Inspection shall be performed in a manner that ensures proper maintenance.
	6.09	6.09.1. Inspection shall be performed in a manner that ensures proper training.
	6.10	6.10.1. Inspection shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 7.0 - FINISHES	7.01	7.01.1. Finishes shall be applied in accordance with the approved schedule.
	7.02	7.02.1. Finishes shall be applied in a manner that minimizes disruption to the site.
	7.03	7.03.1. Finishes shall be applied in a manner that ensures proper safety.
	7.04	7.04.1. Finishes shall be applied in a manner that ensures proper quality control.
	7.05	7.05.1. Finishes shall be applied in a manner that ensures proper communication.
	7.06	7.06.1. Finishes shall be applied in a manner that ensures proper record keeping.
	7.07	7.07.1. Finishes shall be applied in a manner that ensures proper compliance.
	7.08	7.08.1. Finishes shall be applied in a manner that ensures proper maintenance.
	7.09	7.09.1. Finishes shall be applied in a manner that ensures proper training.
	7.10	7.10.1. Finishes shall be applied in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 8.0 - UTILITIES	8.01	8.01.1. Utilities shall be identified and protected in accordance with the approved schedule.
	8.02	8.02.1. Utilities shall be identified in a manner that minimizes disruption to the site.
	8.03	8.03.1. Utilities shall be identified in a manner that ensures proper safety.
	8.04	8.04.1. Utilities shall be identified in a manner that ensures proper quality control.
	8.05	8.05.1. Utilities shall be identified in a manner that ensures proper communication.
	8.06	8.06.1. Utilities shall be identified in a manner that ensures proper record keeping.
	8.07	8.07.1. Utilities shall be identified in a manner that ensures proper compliance.
	8.08	8.08.1. Utilities shall be identified in a manner that ensures proper maintenance.
	8.09	8.09.1. Utilities shall be identified in a manner that ensures proper training.
	8.10	8.10.1. Utilities shall be identified in a manner that ensures proper documentation.
SECTION 9.0 - EROSION CONTROL	9.01	9.01.1. Erosion control measures shall be implemented in accordance with the approved schedule.
	9.02	9.02.1. Erosion control measures shall be implemented in a manner that minimizes disruption to the site.
	9.03	9.03.1. Erosion control measures shall be implemented in a manner that ensures proper safety.
	9.04	9.04.1. Erosion control measures shall be implemented in a manner that ensures proper quality control.
	9.05	9.05.1. Erosion control measures shall be implemented in a manner that ensures proper communication.
	9.06	9.06.1. Erosion control measures shall be implemented in a manner that ensures proper record keeping.
	9.07	9.07.1. Erosion control measures shall be implemented in a manner that ensures proper compliance.
	9.08	9.08.1. Erosion control measures shall be implemented in a manner that ensures proper maintenance.
	9.09	9.09.1. Erosion control measures shall be implemented in a manner that ensures proper training.
	9.10	9.10.1. Erosion control measures shall be implemented in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 10.0 - RECORDS	10.01	10.01.1. Records shall be maintained in accordance with the approved schedule.
	10.02	10.02.1. Records shall be maintained in a manner that minimizes disruption to the site.
	10.03	10.03.1. Records shall be maintained in a manner that ensures proper safety.
	10.04	10.04.1. Records shall be maintained in a manner that ensures proper quality control.
	10.05	10.05.1. Records shall be maintained in a manner that ensures proper communication.
	10.06	10.06.1. Records shall be maintained in a manner that ensures proper record keeping.
	10.07	10.07.1. Records shall be maintained in a manner that ensures proper compliance.
	10.08	10.08.1. Records shall be maintained in a manner that ensures proper maintenance.
	10.09	10.09.1. Records shall be maintained in a manner that ensures proper training.
	10.10	10.10.1. Records shall be maintained in a manner that ensures proper documentation.
SECTION 11.0 - INSPECTION	11.01	11.01.1. Inspection shall be performed in accordance with the approved schedule.
	11.02	11.02.1. Inspection shall be performed in a manner that minimizes disruption to the site.
	11.03	11.03.1. Inspection shall be performed in a manner that ensures proper safety.
	11.04	11.04.1. Inspection shall be performed in a manner that ensures proper quality control.
	11.05	11.05.1. Inspection shall be performed in a manner that ensures proper communication.
	11.06	11.06.1. Inspection shall be performed in a manner that ensures proper record keeping.
	11.07	11.07.1. Inspection shall be performed in a manner that ensures proper compliance.
	11.08	11.08.1. Inspection shall be performed in a manner that ensures proper maintenance.
	11.09	11.09.1. Inspection shall be performed in a manner that ensures proper training.
	11.10	11.10.1. Inspection shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 12.0 - MAINTENANCE	12.01	12.01.1. Maintenance shall be performed in accordance with the approved schedule.
	12.02	12.02.1. Maintenance shall be performed in a manner that minimizes disruption to the site.
	12.03	12.03.1. Maintenance shall be performed in a manner that ensures proper safety.
	12.04	12.04.1. Maintenance shall be performed in a manner that ensures proper quality control.
	12.05	12.05.1. Maintenance shall be performed in a manner that ensures proper communication.
	12.06	12.06.1. Maintenance shall be performed in a manner that ensures proper record keeping.
	12.07	12.07.1. Maintenance shall be performed in a manner that ensures proper compliance.
	12.08	12.08.1. Maintenance shall be performed in a manner that ensures proper maintenance.
	12.09	12.09.1. Maintenance shall be performed in a manner that ensures proper training.
	12.10	12.10.1. Maintenance shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 13.0 - FINISHES	13.01	13.01.1. Finishes shall be applied in accordance with the approved schedule.
	13.02	13.02.1. Finishes shall be applied in a manner that minimizes disruption to the site.
	13.03	13.03.1. Finishes shall be applied in a manner that ensures proper safety.
	13.04	13.04.1. Finishes shall be applied in a manner that ensures proper quality control.
	13.05	13.05.1. Finishes shall be applied in a manner that ensures proper communication.
	13.06	13.06.1. Finishes shall be applied in a manner that ensures proper record keeping.
	13.07	13.07.1. Finishes shall be applied in a manner that ensures proper compliance.
	13.08	13.08.1. Finishes shall be applied in a manner that ensures proper maintenance.
	13.09	13.09.1. Finishes shall be applied in a manner that ensures proper training.
	13.10	13.10.1. Finishes shall be applied in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 14.0 - UTILITIES	14.01	14.01.1. Utilities shall be identified and protected in accordance with the approved schedule.
	14.02	14.02.1. Utilities shall be identified in a manner that minimizes disruption to the site.
	14.03	14.03.1. Utilities shall be identified in a manner that ensures proper safety.
	14.04	14.04.1. Utilities shall be identified in a manner that ensures proper quality control.
	14.05	14.05.1. Utilities shall be identified in a manner that ensures proper communication.
	14.06	14.06.1. Utilities shall be identified in a manner that ensures proper record keeping.
	14.07	14.07.1. Utilities shall be identified in a manner that ensures proper compliance.
	14.08	14.08.1. Utilities shall be identified in a manner that ensures proper maintenance.
	14.09	14.09.1. Utilities shall be identified in a manner that ensures proper training.
	14.10	14.10.1. Utilities shall be identified in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 15.0 - RECORDS	15.01	15.01.1. Records shall be maintained in accordance with the approved schedule.
	15.02	15.02.1. Records shall be maintained in a manner that minimizes disruption to the site.
	15.03	15.03.1. Records shall be maintained in a manner that ensures proper safety.
	15.04	15.04.1. Records shall be maintained in a manner that ensures proper quality control.
	15.05	15.05.1. Records shall be maintained in a manner that ensures proper communication.
	15.06	15.06.1. Records shall be maintained in a manner that ensures proper record keeping.
	15.07	15.07.1. Records shall be maintained in a manner that ensures proper compliance.
	15.08	15.08.1. Records shall be maintained in a manner that ensures proper maintenance.
	15.09	15.09.1. Records shall be maintained in a manner that ensures proper training.
	15.10	15.10.1. Records shall be maintained in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 16.0 - INSPECTION	16.01	16.01.1. Inspection shall be performed in accordance with the approved schedule.
	16.02	16.02.1. Inspection shall be performed in a manner that minimizes disruption to the site.
	16.03	16.03.1. Inspection shall be performed in a manner that ensures proper safety.
	16.04	16.04.1. Inspection shall be performed in a manner that ensures proper quality control.
	16.05	16.05.1. Inspection shall be performed in a manner that ensures proper communication.
	16.06	16.06.1. Inspection shall be performed in a manner that ensures proper record keeping.
	16.07	16.07.1. Inspection shall be performed in a manner that ensures proper compliance.
	16.08	16.08.1. Inspection shall be performed in a manner that ensures proper maintenance.
	16.09	16.09.1. Inspection shall be performed in a manner that ensures proper training.
	16.10	16.10.1. Inspection shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 17.0 - MAINTENANCE	17.01	17.01.1. Maintenance shall be performed in accordance with the approved schedule.
	17.02	17.02.1. Maintenance shall be performed in a manner that minimizes disruption to the site.
	17.03	17.03.1. Maintenance shall be performed in a manner that ensures proper safety.
	17.04	17.04.1. Maintenance shall be performed in a manner that ensures proper quality control.
	17.05	17.05.1. Maintenance shall be performed in a manner that ensures proper communication.
	17.06	17.06.1. Maintenance shall be performed in a manner that ensures proper record keeping.
	17.07	17.07.1. Maintenance shall be performed in a manner that ensures proper compliance.
	17.08	17.08.1. Maintenance shall be performed in a manner that ensures proper maintenance.
	17.09	17.09.1. Maintenance shall be performed in a manner that ensures proper training.
	17.10	17.10.1. Maintenance shall be performed in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 18.0 - FINISHES	18.01	18.01.1. Finishes shall be applied in accordance with the approved schedule.
	18.02	18.02.1. Finishes shall be applied in a manner that minimizes disruption to the site.
	18.03	18.03.1. Finishes shall be applied in a manner that ensures proper safety.
	18.04	18.04.1. Finishes shall be applied in a manner that ensures proper quality control.
	18.05	18.05.1. Finishes shall be applied in a manner that ensures proper communication.
	18.06	18.06.1. Finishes shall be applied in a manner that ensures proper record keeping.
	18.07	18.07.1. Finishes shall be applied in a manner that ensures proper compliance.
	18.08	18.08.1. Finishes shall be applied in a manner that ensures proper maintenance.
	18.09	18.09.1. Finishes shall be applied in a manner that ensures proper training.
	18.10	18.10.1. Finishes shall be applied in a manner that ensures proper documentation.

Section	Item No.	Item Description
SECTION 19.0 - UTILITIES	19.01	19.01.1. Utilities shall be identified and protected in accordance with the approved schedule.
	19.02	19.02.1. Utilities shall be identified in a manner that minimizes disruption to the site.
	19.03	19.03.1. Utilities shall be identified in a manner that ensures proper safety.
	19.04	19.04.1. Utilities shall be identified in a manner that ensures proper quality control.
	19.05	19.05.1. Utilities shall be identified in a manner that ensures proper communication.
	19.06	19.06.1. Utilities shall be identified in a manner that ensures proper record keeping.
	19.07	19.07.1. Utilities shall be identified in a manner that ensures proper compliance.
	19.08	19.08.1. Utilities shall be identified in a manner that ensures proper maintenance.
	19.09	19.09.1. Utilities shall be identified in a manner that ensures proper training.
	19.10	19.10.1. Utilities shall be identified in a manner that ensures proper documentation.

CERTIFICATION

I, **[Name]**, **[Title]**, of **[Company]**, hereby certify that the design of all stormwater wetlands shown on this plan was prepared by me or under my direct supervision and that I am a duly licensed Professional Engineer in the State of North Carolina. I am not providing this certification for any other project or for any other purpose.
