LOCATION DESCRIPTION

LOCATION OVERVIEW

Midtown Miami is a live, work, play complex bound by North Miami Avenue to the west, NE 2nd Avenue to the east, between NE 29th Street and NW 36th Street. Sandwiched between Edgewater to the east, Wynwood to the southwest, and the Design District to the north, Midtown is Miami's most walkable neighborhood, a "mini-city" just beyond the fringes of Downtown. Originally conceived as the "SoHo" of Miami, Midtown is essentially a hyper-condensed slice of the city at large, with luxury residential towers set atop rows of national and local stores, bars, and restaurants packed into a relatively small land area.

The Shops at Midtown shopping mall serves as the focal landmark of the neighborhood with nationally-recognized retail staples like Target, Home Goods, Nordstrom Rack, and West Elm and is surrounded by luxury buildings such as Hyde Midtown, Midtown 5, Gio Midtown, etc. Many restaurants like Sugarcane, Salumeria, Italica, or Little Hen anchor the bottom of some of the buildings.

Midtown Miami is located just a few blocks from the Miami Design District. The Miami Design District is a shopping destination dedicated to innovative fashion, design, art, architecture, and dining. Some of the high-end stores at the Design District are Gucci, Prada, Louis Vuitton, and Hermès and it is also home to world-class restaurants like Contessa, Joel Robuchon, Cote or ZZ's just to name a few.

For art lovers, Wynwood is just a few blocks away. You'll find the most extensive collection of Street Art in the world, restaurants, cafés, boutiques, and lounges.

Midtown is also located just about 10 minutes from Miami Beach. You can drive, ride a bike or jog all the way to the beach. Take the Venetian Causeway, just a few blocks South of Midtown and you'll enjoy the beautiful scenery.

MIAMI, SOUTH FLORIDA

LOCATION OVERVIEW

Miami has been experiencing a commercial real estate boom since the 2010s. First with a surge in luxury residential condos that led to an increase in demand for office and retail space in 2016-2018. The development of Brickell City Centre notably placed Brickell as Miami's financial district, as well as the expansion of the Wynwood Arts District which contributed to Miami's reputation as a financial and entertainment hub. Following Covid, Miami has seen an increase in population coming from all over the United States and an increased interest from institutional investment firms to move their capital to the Sunshine State. Miami is also seeing a significant influx of capital from Latin America and Europe. The city has been attracting millions of tourists, not only to enjoy the beaches but for its city components.
