Floor plan of a 100-unit apartment building. The plan shows a central corridor with multiple stairwells and elevators. Units are arranged around the perimeter and along the corridor. Unit sizes are labeled in feet, such as 19.5x32.5, 38.5x33, 16x17, 10x11, and 9x12.5. Amenities like a WIC, utility rooms, and a pool area are also indicated.

This is a detailed floor plan of the second floor. The central feature is a large open area (45x36) which serves as a main corridor or atrium. To the left of this central area, there is a vertical strip of rooms including three offices (10.5x13, 11.5x13, 10.5x13), a storage room (14.5x15.5), and a utility room. Below these are three more offices (14.5x18.5, 14.5x18.5, 14.5x18.5). To the right of the central area, there is a large office (19x35), a storage room (15x16), and a utility room. Further right, there is a large office (18.5x17) and a WIC (Water, Ice, and Coffee) area. At the bottom of the plan, there are several smaller rooms and corridors, including a 15.5x12 room, a 10.5x22.5 room, and a 16x19.5 room. The plan also shows various stairwells and elevators, indicated by symbols and dashed lines.
