## PROPERTY DESCRIPTION

Prime redevelopment opportunity in Ypsilanti Township along the high-visibility Washtenaw Avenue corridor. This 1.54-acre site sits within the RC (Regional Corridor) zoning district, offering broad commercial flexibility and strong support for auto-oriented, retail, and service uses. The property benefits from an approved site plan for a modern car wash, giving a buyer a major head start on development timelines and municipal approvals.

Positioned between Golfside Road and Hewitt Road, the site enjoys excellent traffic volumes, strong surrounding retail synergy, and direct connectivity to the region's major arterials. I-94 and US-23 are just minutes away, providing efficient access for customers and commuters across Washtenaw County and the broader southeast Michigan region.

With its combination of zoning, frontage, access, and ready-to-execute approvals, this location is well suited for a car wash, QSR, retail, medical, or other high-demand commercial redevelopment.
