Zoning Breakdown* - I District

A. INTENT: The purpose of the I District is to accommodate manufacturing, commercial, and most industrial uses which need adequate space, light, and air, and whose operations are quiet and clean provided that they do not create a nuisance to other property by reasons of dust, odor, noise, light, smoke, vibrations or other adverse effects which cannot be effectively confined on the premises. This promotes the creations and maintenance of an environment which will serve the mutual interests of the community as a whole, of any adjacent residential areas and of the occupants of the industrial area.

B. USES BY RIGHT:

1. Uses which meet the intent of Subsection (A) and the performance standards of Subsection (C) of this Section, not including residential uses, are uses by right. Typical examples of such manufacturing and nonmanufacturing uses include warehouses, wholesalers, and manufacturing contained within buildings and accessory retail sales.
2. Industrial uses, including those with accessory retail sales operations such as:
 - a. Manufacturing of any product.
 - b. Wholesaling of any product.
 - c. Warehousing and storage. (Excluding bulk storage of materials that are flammable or explosive or that create hazardous or commonly recognized offensive conditions)
 - d. Bulk storage.
 - e. Processing of any manufactured product.
 - f. General service and repair of automobiles, trucks, farm implements and construction equipment.
 - g. Parking lots.
 - h. Fabrication of any product.
 - i. Agricultural products processing.
 - j. Offices.
 - k. Freight hauling facilities.
 - l. Sawmills or planing mills. m. Aboveground fuel storage facilities for hazardous fuels.
 - n. Parks and open spaces.
 - o. Government buildings and facilities.
 - p. Public utility service facilities.
 - q. Electronic and telecommunications antennas, receivers and transmitters.
 - r. Accessory uses.
 - s. Sexually oriented business complying with the provisions of Chapter 8.32.
 - t. Greenhouses.
 - u. Medical marijuana testing facilities.

C. CONDITIONAL USES:

1. Any commercial or industrial use other than the uses by right which comply with the performance standards of Subsection D and are consistent with the intent of Subsection A above.
2. Automobile wrecking and salvage yards.
3. Junk yards.
4. Animal sales yards.
5. Mineral extraction and processing.

6. Trash disposal and recycling facilities.
7. Quarries and gravel operations.
8. Storage of non-fuel hazardous materials including explosives.
9. Medical marijuana cultivation
10. Medical marijuana products manufacturing.
11. Medical marijuana research and development.
12. Medical marijuana sales.

D. PERFORMANCE STANDARDS:

1. No use shall be established, maintained or conducted in any I District that will result in any public or private nuisance.
2. No industrial structure shall be constructed within one hundred feet (100') of any existing Residential District, unless effectively buffered by landscaping, berms, fencing, or screening.
3. No use shall be established in the I District which results in an unreasonable hazard to the community or creates a public or private nuisance.
4. No noise, dirt, smoke, or odor shall be observable off of the premises.
5. Automobile wrecking and salvage yards and junk yards shall have screening.
6. Additionally, all outdoor storage may require screening to prevent industrial blight.
7. With regard to storage of explosives, chemicals and other allowed hazardous materials (excepting stored fuels), the following additional performance standards shall apply:
 - a. No materials shall be allowed other than those that are identified, classified and regulated by a State or Federal Agency.
 - b. No materials shall be allowed where a regulatory agency is found to lack significant and regular oversight adequate to ensure compliance with respective regulations.
 - c. No materials shall be allowed without adequate separation from existing and/or potential future habitable sites or structures.
 - d. In all cases, conditional use approvals shall be limited to the specified owner and the specific location, type and operation of all facilities approved for the conditional use. Any change in ownership, location of or specified type or operation of facilities will constitute revocation of the conditional use.
8. Greenhouses.
 - a. No noise, dirt, smoke, or odor shall be observable from Greenhouses.
 - b. All lighting fixtures shall be shielded so that the light source is not directly visible off the premises.
9. Medical marijuana facilities must be licensed through the State of Colorado and the City of Delta and shall comply with the following additional standards:
 - a. No noise, dirt or smoke shall be observable off of the premises.
 - b. No owner of real property or person in charge thereof shall allow, permit or cause the odor of marijuana to emanate from that premises to any other property.
 - c. All outdoor lighting fixtures shall be shielded so that the light source is not directly visible off the premises.
 - d. No medical marijuana facility shall be located within one hundred feet (100') of any dwelling unit, except dwelling units located within the A-1 District on the same property.
 - e. Must be fully enclosed by a building or structure including a roof.
10. Medical marijuana research and development that does not require a license shall be subject to the same performance standards set forth above in Sections 9(a) through (e)
