Property Overview

This portfolio consists of two separate folios. The 6.10-acre nursery serves as a full-service cannabis cultivation facility, including a single-family residence used as an office — located in the fertile Redlands of Homestead, FL.

The facility features a state-of-the-art 43,000 SF “Cravo” greenhouse plus additional indoor covered area. This turnkey operation supports either a newly approved medical marijuana treatment center (MMTC) or an existing one. Sale includes all structures and select grow equipment — trays, tables, lighting, irrigation, and tractor equipment. The MMTC license itself is not included.

Available for lease to MMTC license holders at \$100,000/month gross.
