## Meet the Team

### Developed By

---

A Vancouver-based real estate development company focused on building industrial, office, and multi-family residential properties. Our passion to build spaces for people to work has led us to successfully develop and launch real estate projects across all asset classes throughout Metro Vancouver, the Central Okanagan, and Southern Vancouver Island. We have developed over \$3.5 billion of projects and currently have 5.2 million square feet under development including 2.4 million sq. ft. of industrial, 1.4 million sq. ft. of office and 1,500 residential homes. With our success, we have raised over \$800m of equity.

## WILLIAM | WRIGHT

As a Vancouver Island based team, Harry Jones and Connor Braid specialize in investment sales and leasing, with a focus on the industrial asset class. They pride themselves on a relationship driven and service-focused approach to commercial real estate. They have a proven track record of their attention to detail and responsiveness, which provides for an effective and enjoyable working relationship with all of their clients.

### In Partnership With

---

Nicola Wealth is built on our belief that the conventional approach simply isn't enough. Our track record of growth has been a result of strong culture and forward thinking. We are a dedicated team of experienced real estate professionals overseeing \$10B worth of real estate in Canada and the United States. Not satisfied with the existing approach and believing a more sophisticated level of planning was necessary, Nicola Wealth has made innovation a foundational cornerstone.
