NOTES

Current Business Relocating - Operated for nearly three decades, this frozen storage location provides a great location to ship product to northern PA customers while being easily accessible for restocking deliveries. Frozen storage area can be demised into two or three separate spaces for multiple tenants or used wholly by one operator. Roofing has been recently replaced, and cooling units have been meticulously maintained. "Security system in place for connectivity"

*Use Restriction of current use to be recorded at time of sale.
