BALDWIN COUNTY MARKET

Baldwin County is the largest county in Alabama by area, and one of the largest in the southeast. The Daphne-Fairhope-Foley MSA is the 11th Fastest growing MSA in the nation, in 2017, according to the U.S. Census Bureau.

Baldwin County is known as a premier vacation destination, since the Gulf Coast region accounts for over 1/3rd of Alabama’s tourism revenue. However, it is an even better place to live and work, with a regional labor force of over 500,000, and a county labor force of over 90,000 and growing. It is the fastest growing county in the state of Alabama, with a 51% county population growth since 2000, the largest projected population growth among all Alabama MSAs and counties. Baldwin County is projected to become the 4th most populous county in Alabama by 2020.

In 2018, Baldwin County enjoyed another stellar year of growth in manufacturing and retail as the county’s economy continued to boom. Baldwin County was number one in the state in incoming business, workforce talent attraction and job growth for the year. National publication *Site Selection* again rated Alabama among the top states in its annual State Business Climate survey, reflecting its consistent attractiveness for high-value economic development projects. Overall, Alabama was ranked No. 8 in its Business Climate analysis. In a survey, consultants and corporate real estate executives placed Alabama at No. 7. Alabama previously scored in the Top 10 in both 2016 and 2017 *Site Selection* surveys.
