Property Overview

Located in the heart of Downtown East Point, 2796 East Point Street presents a rare opportunity to acquire a fully occupied, income-producing retail asset with significant upside potential. Positioned on the prominent corner of East Point Street and White Way, the property features two retail suites occupied by tenants on month-to-month leases, providing immediate cash flow while allowing flexibility to reposition rents or execute a future leasing strategy. One tenant operates a hair braiding studio, while the second is a well-established organic restaurant that has been in business for over 30 years, further enhancing the stability and community presence of the asset.

Surrounded by the continued revitalization of Downtown East Point, the property benefits from exceptional visibility, dual street frontage, walkability to restaurants and neighborhood amenities, and close proximity to the new City Hall and MARTA. East Point continues to attract investment thanks to its strategic location just minutes from Downtown Atlanta, Hartsfield-Jackson Atlanta International Airport, Fort McPherson redevelopment, and major interstate access.

With below-market lease rate, flexible lease structures, and a prime downtown location, 2796 East Point Street offers investors an attractive value-add opportunity to increase income while capitalizing on the continued growth of one of metro Atlanta's emerging urban submarkets.
