Opportunity

Lennard Commercial is pleased to present the rare opportunity to acquire or lease a freestanding industrial building at 1088 Roosevelt Crescent in North Vancouver. Located on a prominent corner lot at Roosevelt Crescent and Lloyd Avenue, the property offers functional industrial space in one of North Vancouver's most tightly held industrial markets.

The building features 19' ceiling heights and dock loading in the warehouse, along with ground floor showroom space and second floor mezzanine office space, providing a flexible layout for a variety of uses such as industrial, recreation, service commercial, and more. With limited availability of freestanding industrial buildings in North Vancouver and excellent access to Marine Drive, Highway 1, the Lions Gate Bridge, and the broader Lower Mainland, 1088 Roosevelt Crescent is well positioned for users and investors seeking a freestanding industrial property in a highly accessible North Shore location.
