Section 20. Disclosure Report Requirements. A seller of residential real property shall complete all items in the disclosure report described in Section 35. The seller shall deliver to the prospective buyer the written disclosure report required by this Act before the signing of a contract.

Section 25. Liability of seller.

(a) The seller is not liable for any error, inaccuracy, or omission of any information delivered pursuant to this Act if (i) the seller had no knowledge of the error, inaccuracy, or omission, (ii) the error, inaccuracy, or omission was based on a reasonable belief that a material defect or other matter not disclosed had been corrected, or (iii) the error, inaccuracy, or omission was based on information provided by a public agency or by a licensed engineer, land surveyor, structural pest control operator, or by a contractor about matters within the scope of the contractor’s occupation and the seller had no knowledge of the error, inaccuracy, or omission.

(b) The seller shall disclose material defects of which the seller has actual knowledge.

(c) The seller is not obligated by this Act to make any specific investigation or inquiry in an effort to complete the disclosure statement.

Section 30. Disclosure report supplement. If, prior to closing, any seller becomes aware of an error, inaccuracy, or omission in any prior disclosure report or supplement after delivery of that disclosure report or supplement to a prospective buyer, that seller shall supplement the prior disclosure report or supplement with a written supplemental disclosure, delivered by any method set forth in Section 50.

Section 35. Disclosure report form. . . . [omitted]

Section 40. Material defect.

(a) If a seller discloses a material defect in the Residential Real Property Disclosure Report, including a response to any statement that is answered “yes” except numbers 1 and 2, and, in violation of Section 20, it is delivered to the prospective buyer after all parties have signed a contract, the prospective buyer, within 5 business days after receipt of that report, may terminate the contract or other agreement with the return of all earnest money deposits or down payments paid by the prospective buyer in the transaction without any liability to or recourse by the seller.

(b) If a seller discloses a material defect in a supplement to this disclosure report, the prospective buyer shall not have a right to terminate unless:

(i) the material defect results from an error, inaccuracy, or omission of which the seller had actual knowledge at the time the prior disclosure was completed and signed by the seller; (ii) the material defect is not repairable prior to closing; or (iii) the material defect is repairable prior to closing, but within 5 business days after the delivery of the supplemental disclosure, the seller declines, or otherwise fails to agree in writing, to repair the material defect.

(c) The right to terminate the contract, however, shall no longer exist after the conveyance of the residential real property. For purposes of this Act the termination shall be deemed to be made when written notice of termination is delivered to at least one of the sellers by any method set forth

in Section 50, at the contact information provided by any seller or indicated in the contract or other agreement. Nothing in subsection (a) or (b) shall limit the remedies available under the contract or Section 55.

Section 45. Other Law. This Act is not intended to limit remedies or modify any obligation to disclose created by any other statute or that may exist in common law in order to avoid fraud, misrepresentation, or deceit in the transaction.

Section 50. Delivery of disclosure report. Delivery of the Residential Real Property Disclosure Report provided by this Act shall be by:

(1) personal delivery or facsimile, email, or other electronic delivery to the prospective buyer at the contact information provided by the prospective buyer or indicated in the contract or other agreement;

(2) depositing the report with the United States Postal Service, postage prepaid, first class mail, addressed to the prospective buyer at the address provided by the prospective buyer or indicated on the contract or other agreement; or

(3) depositing the report with an alternative delivery service such as Federal Express or UPS, delivery charges prepaid, addressed to the prospective buyer at the address provided by the prospective buyer or indicated on the contract or other agreement.

For purposes of this Act, delivery to one prospective buyer is deemed delivery to all prospective buyers. Delivery to an authorized individual acting on behalf of a prospective buyer constitutes delivery to all prospective buyers. Delivery of the Report is effective upon receipt by the prospective buyer. Receipt may be acknowledged on the Report, in an agreement for the conveyance of the residential real property, or shown in any other verifiable manner.

Section 55. Violations and damages. If the seller fails or refuses to provide the disclosure report prior to the conveyance of the residential real property, the prospective buyer shall have the right to terminate the contract. A seller who knowingly violates or fails to perform any duty prescribed by any provision of this Act or who discloses any information on the Residential Real Property Disclosure Report that the seller knows to be false shall be liable in the amount of actual damages and court costs, and the court may award reasonable attorney's fees incurred by the prevailing party.

Section 60. Limitation of Action. No action for violation of this Act may be commenced later than one year from the earlier of the date of possession, date of occupancy or date of recording of an instrument of conveyance of the residential real property.

Section 65. Disclosure Report Form; Contents; Copy of Act. A copy of Sections 5 through 65 of Article 2 of this Act, excluding Section 35, must be printed on or as a part of the Residential Real Property Disclosure Report form.
