City Of Anoka

ANOKA, MN

The Anoka Shopping Center on Main Street is located half a mile west of Downtown Anoka, a premier destination within the Twin Cities metro area that offers a variety of unique shops. The community of diverse local merchants is here to serve visitors, offering antique shops, clothing and gift boutiques, furniture and home décor. The classic and historic riverfront town of Anoka is located just 20 minutes north of Minneapolis and St. Paul on highways 10 or 169. Walk to the many fine eateries including cafés, specialty restaurants, ice cream and pastry shops, bar and grills, co-ops and cool coffee shops. Enjoy live theater and music along with annual art festivals and parades. Stay at the local B&B, walk the trails and corridors or visit the Mississippi River Community Park.

ECONOMIC & BUSINESS CLIMATE

Anoka's downtown business community continues to grow into a fully developed shopping destination housed within the framework of historic buildings and our nostalgic Main Street. In 2012, Downtown Anoka's two-year makeover was complete, with wider sidewalks, brand-new roads, and stunning landscaping. Main Street was left looking refreshed and as welcoming and authentic as ever. Today, this vibrant area has an eclectic mix of locally owned boutiques, specialty shops, cafes, and eateries that cater to residents and visitors alike. The welcoming community, paired with regularly hosted events and seasonal festivals, fosters a strong sense of community pride and makes Anoka a charming and sought-after destination for shopping, dining, and entertainment. With further infrastructure investments planned, Anoka's downtown is well-poised for sustainable growth, drawing new businesses and visitors while preserving its historic charm and authenticity.
