GREEN ZONES PROGRAM - COURTESY NOTICE

We are pleased to announce that the County of Los Angeles Board of Supervisors approved the Green Zones Program on June 14, 2022. **This will be effective on July 14, 2022.** You are receiving this notice because you are the property owner or an operator of a parcel that may be affected by the new Green Zones Program. This means that the identified property may be subject to the new Green Zones Program Schedule of Compliance requirements in 3, 5 or 7 years from July 14, 2022 (the effective date of the Ordinance) or at the time of the renewal of an existing Conditional Use Permit (CUP). To learn more about what this means for you, and to ensure you remain compliant, please email us at: greenzones@planning.lacounty.gov.

Green Zones Ordinance Effective Date: Thursday, July 14, 2022

Green Zones Program Resources: <https://planning.lacounty.gov/greenzones/documents>
(See FAQs, the Green Zones Program Summary Sheet, and the current list of potentially impacted parcels)

Project & Permit(s): Project No. 2018-003209-(1-5) Advance Planning Case No. RPPL2018004908 General Plan Amendment No. RPPL2020002900 Environmental Plan No. RPPL2020002788 Zone Change No. RPPL2021012002

Project Location: Countywide

Project Description: The Green Zones Program amends the Los Angeles County Code (Title 22) and the General Plan to improve the public health and quality of life of unincorporated area residents in vulnerable communities that have been disproportionately and historically impacted by environmental effects.
