## Excellent Location

1825 West Main Street is located on the western end of the Historic West Main Street Corridor. The City of Fort Wayne has recently proposed updates to the Downtown Dining District boundary lines, which will include this property. Thus, the property will be eligible for a downtown 3-way liquor license.

Just west of this site, a new road and traffic circle is currently under construction, which will allow for easy access to West Jefferson Boulevard, a major thoroughfare with access to both downtown and Fort Wayne's southwest side. Up Leesburg Road is the University of St. Francis, a growing campus that brings steady traffic to West Main Street and downtown.

1825 West Main Street is also nearby several longstanding and new restaurants and businesses, including:
