

24105 Hass St, Dearborn Heights

This church for sale features a 196-seat sanctuary, fellowship hall, ten classrooms and offices, and a fully equipped kitchen. Set on 0.72 acres, the property works well for a congregation that wants room to gather and grow.

The wide lot and R-1 zoning also supports redevelopment in a desirable neighborhood. The 274 ft Haas frontage could be divided into five lots of about 50–55 ft each. R-1 front setback is 25 ft and rear setback is 30 ft, leaving a usable buildable envelope on a 50 ft lot.
