Investment Overview

Northmarq presents Oyster Bay Plaza, a fully stabilized retail investment opportunity strategically positioned along one of the primary commercial corridors in Bremerton. This high-visibility asset benefits from strong daily traffic counts and seamless connectivity between Port Orchard and the greater Kitsap Peninsula, placing it directly in the path of consistent commuter and consumer flow. Anchored by a diverse mix of service-oriented and daily-needs tenants, the property delivers durable in-place cash flow with minimal near-term rollover, offering investors immediate yield and operational stability.

Oyster Bay Plaza is further supported by Bremerton's expanding population base and its proximity to Naval Base Kitsap, one of the region's largest employment drivers, ensuring a reliable and recurring customer base. This offering represents a rare opportunity to acquire a stabilized, income-producing retail strip in one of the Peninsula's most supply-constrained and steadily growing submarkets.

Investment Highlights

HIGH-VISIBILITY LOCATION WITH 30K+ VPD ON PRIMARY RETAIL CORRIDOR

The property features dominant frontage along Kitsap Way (SR-310), one of Bremerton's primary east-west retail corridors, with 38,000 vehicles per day. This commuter-heavy corridor connects Bremerton to Port Orchard, supporting strong visibility and repeat consumer exposure-key drivers for small-shop retail performance

NATIONAL CREDIT ANCHOR WITH PROVEN RETAIL DEMAND

The center is anchored by Verizon (A-credit), occupying 3,000 SF ($\pm 34\%$ of GLA) and operating within a 7,000+ location national footprint. Wireless retail continues to perform strongly in secondary markets due to recurring customer demand, reinforcing consistent traffic generation and tenant stability.

SUPPLY-CONSTRAINED RETAIL SUBMARKET WITH LIMITED NEW DEVELOPMENT

Kitsap County continues to experience minimal new retail construction, driven by land constraints and rising development costs. At the same time, the county has added 13,400 housing units over the past five years, with 1,000+ units currently under construction, creating sustained retail demand without meaningful new supply.

Investment Highlights

STRATEGIC POSITION NEAR MAJOR EMPLOYMENT HUB DRIVING DAILY DEMAND

The property is located minutes from Naval Base Kitsap, one of the region's largest employers, generating a significant daytime population and recurring consumer demand. This employment anchor, combined with surrounding residential density, supports high-frequency retail visits and long-term tenant sustainability.

STRONG DEMOGRAPHIC PROFILE WITH GROWING POPULATION BASE

Within a 5-mile radius, the property serves a population of 115,500 residents projected to grow to 119,400 by 2030, with an average household income of \$108K and median income of \$83K. This provides a stable, workforce-driven consumer base that supports daily-needs retail and consistent tenant performance

IDEAL FOR SERVICE & DAILY-NEEDS RETAIL

The property's layout and location along a commuter-heavy corridor make it highly attractive for service-oriented tenants (food, convenience, medical, personal services) that thrive on repeat local traffic and visibility.
