## EXECUTIVE SUMMARY

DWNTWN Realty Advisors is pleased to present a rare retail leasing opportunity at Wynwood 25, located at 215-339 NW 24th Street in the heart of Miami's Wynwood Arts District. Developed by Related Group and East End Capital and designed by internationally acclaimed architecture firm Kobi Karp, Wynwood 25 is the neighborhood's premier mixed-use destination, comprising 289 luxury rental residences above approximately 30,000 square feet of ground-floor retail. The building is anchored by a nationally curated tenant roster including Uchi, Salt & Straw, Studs, and Whitman's, and features a 322-space parking garage, 13 to 14-foot ceiling heights, and a dedicated paseo activated by museum-quality murals from world-renowned artists EL MAC and Typoe. Three retail spaces are now available along the NW 24th Street frontage: Space D (2,868 SF, which is a 2<sup>nd</sup> generation café), Space F (1,475 SF), and Space G (2,418 SF), all of which are delivered in shell condition and positioned to accommodate a wide range of food and beverage, fitness, or experiential retail uses.

Wynwood 25 sits at the epicenter of Wynwood's core pedestrian grid, immediately west of NW 2nd Avenue and surrounded by the highest concentration of acclaimed dining, retail, and cultural destinations in the submarket. The building benefits from 289 on-site luxury residences generating built-in daily foot traffic, and brand adjacency to some of Miami's most recognized concepts. Wynwood consistently ranks among Miami's top-performing food and beverage submarkets by both sales volume and brand recognition, drawing millions of visitors annually from local residents, international tourists, and the surrounding tech and creative workforce. For operators seeking a flagship Wynwood address within the neighborhood's most institutionally credentialed and fully activated mixed-use asset, this offering represents a compelling and hard-to-replicate opportunity.

# WYNWOOD

The Property is located in the Wynwood submarket of Miami. Wynwood is bordered by I-95 to the west, Edgewater to the east, Downtown and Brickell to the south and Midtown and the Design District to the north.

Since the early 2000s, Wynwood has experienced a major development wave notably since the opening of the Wynwood Walls in 2009 by the Goldman family, and quickly escalated with the Neighborhood Revitalization District-1 (NRD-1) rezoning plan in 2015 that encouraged the preservation of unique street art and industrial characteristics while also promoting an environment where people work, live, and play.

Wynwood has evolved from a desolated industrial zone to a globally recognized destination for art, fashion, innovation and is quickly becoming the “Silicon Valley of the South” with tech companies such as Blockchain.com, Open Stores, or Founders Fund moving into newly developed buildings. Ideally located next to Midtown and Edgewater’s dense residential communities, with quick access to Miami’s Design District, Wynwood has emerged as a vibrant hub for the creative economy, with an eccentric art scene, unique restaurants, numerous nightlife locations, and newly built residential developments. Along Wynwood’s main avenues, one can find local food establishments and hip boutiques such as Billionaire Boy’s Club, the Oasis, Veza Sur Brewery and more. From bars such as 1-800-Lucky to museums attracting numerous tourists like the Museum of Graffiti or Selfie Museum, there is no shortage of activities, making Wynwood one of the most desirable locations in the Urban Core of Miami.
