ICONIC FARM-TO-BOTTLE DISTILLERY CAMPUS

23+ AC with Panoramic Cascade Mountain Views

Acquire one of Central Oregon's most iconic craft beverage epicenters—a fully entitled, turnkey distillery campus offered for the first time complete with production equipment and aging whiskey inventory. Located just 10 minutes from Bend along Highway 20, this 23+ acre turnkey operation features six structures totaling nearly 33,000 SF, 18 acres of water rights, and Cascade Mountain views.

The property supports a complete farm-to-bottle ecosystem—from cultivation and processing to bottling and tasting. With the operating business' brand rights sold and production relocating offsite, the campus will be delivered 100% vacant and unencumbered. A conditional use permit for distillery operations runs with the land.

The sale is all inclusive: the real estate, the complete production plant (FF&E), and an aging whiskey inventory of approximately 400 barrels ranging from one to more than five years in age. Rather than a list price, qualified distillery operators are invited to submit their highest and best offer.

Location

Tumalo, Oregon

Tumalo, Oregon, is a scenic and fast-evolving rural community nestled in Deschutes County, perfectly positioned along Highway 20 between the cities of Bend and Sisters. Just 7 miles from Bend and 15 miles from Sisters, Tumalo offers an appealing blend of small-town atmosphere with immediate access to the economic and cultural centers of Central Oregon. This makes it not only a desirable place to live, but also a strategic location for business owners and commercial operators who want visibility, accessibility, and a connection to a growing customer base.

One of Tumalo's most compelling features for commercial activity is its high volume of pass-through traffic. Situated directly on Highway 20—one of the region's key east-west corridors—Tumalo sees a steady stream of daily commuters, outdoor recreationists headed to the Cascades, and visitors traveling between Bend, Sisters, and beyond. Local businesses in Tumalo have tapped into this advantage with a mix of unique dining options, artisan shops, and inviting outdoor spaces. The town has also become known for its flourishing craft beverage scene, with locally produced cider, beer, and spirits drawing in both residents and tourists. These establishments benefit from a customer base that includes both loyal locals and a continual influx of travelers looking for a memorable stop between destinations. With its strong sense of community, natural beauty, and highly visible location, Tumalo offers significant potential for commercial operators seeking to serve Central Oregon's growing and dynamic population.
