The Opportunity

Hawthorne Industrial Park Ottawa, ON

Located in southeast Ottawa, the Hawthorne Industrial Park presents a rare opportunity to acquire serviced employment land in an established industrial node with immediate (8 min) access to Highway 417 via the Hunt Club Road interchange. Purposefully designed to accommodate traditional and heavy industrial users, the park supports logistics oriented and operations driven uses requiring scale, separation from sensitive land uses, and strong regional connectivity. With flexible parcel configurations and a zoning framework that permits a broad range of industrial activities, Hawthorne Industrial Park offers an ideal platform for businesses and developers seeking long term operational efficiency within the Ottawa market.

A variety of parcel sizes are available to purchase, ranging in size from 2 and up to 26 acres, and prospective purchasers may opt for a build to suit option, or to construct their own project.

Under the Rural Logistics Subzone, a variety of uses are possible, including but not limited to, Truck Transport Terminal, Light Industrial, Heavy Industrial, Storage Yard, and Warehouse uses.

The site is serviced by hydro, telecommunications, and natural gas. With the balance of services to be installed with build out, including well/septic.
