PROPERTY SURVEY & ZONING

555 Route 57 is located in the I-1 Industrial Zone in Mansfield Township, Warren County, NJ. The property is served by private wells and an on-site septic system. The site is within the NJ Highlands Planning Area, where development is subject to additional review. The vacant land may accommodate approximately $\pm 250,000$ SF of additional industrial development, subject to approvals.

Permitted uses include: offices, research/lab, light manufacturing, industrial parks, telecommunications, and renewable energy facilities.

**555 ROUTE 57,
PORT MURRAY NJ 07865**

SOLAR POWER

The property's solar array has been generating clean energy since 2012, supplying the facility and feeding excess power back to the grid. The system also produces additional income through the SREC program while helping reduce overall energy costs.

PORT MURRAY NJ 07865**

REGIONAL MARKET OVERVIEW

Washington & Port Murray is a strategic western New Jersey industrial location approximately 55 miles from the Port of New York & New Jersey, offering access to both the Northern New Jersey and Lehigh Valley logistics markets. The region is home to major employers including USPS, BASF, M&M Mars, Shopify, and Scotts Miracle-Gro, with long-term industrial demand supported by limited new supply.
