Approved Development Plans

The site benefits from approved and serviced plans for an infill residential development which would include 12 units, including 1 single detached unit, 2 sets of semi-detached units, 1 block of 3 townhomes, and 1 block of 4 townhomes. The units provide 3 bedrooms each and have a total saleable area of approximately 25,000 sf.

There has been preliminary planning work, including a Pre-Consultation with City Staff, contemplating an 8-storey building with 79 units instead of the existing townhouse plans.

Etobicoke, ON

Situated in South Etobicoke's established Mimico neighbourhood, 1 Blue Goose Street is positioned within a rapidly evolving residential and mixed-use corridor along the Lake Shore Boulevard West waterfront. Located approximately 10 kilometres west of Toronto's Financial District, the property benefits from strong connectivity to downtown, immediate access to the Gardiner Expressway, and proximity to a growing concentration of mid- and high-rise residential development. The surrounding area is characterized by a mix of condominium communities, townhomes, and established low-rise housing, supported by a variety of neighbourhood retail, cafés, restaurants, and everyday service amenities along Lake Shore Boulevard West. The property is also steps from Humber Bay Park and the Martin Goodman Trail, providing direct access to Toronto's waterfront and recreational green space. Transit connectivity is well-established, with TTC streetcar and bus service operating along Lake Shore Boulevard West, offering direct access to downtown Toronto. Mimico GO Station, located nearby, provides regional rail service along the Lakeshore West line. The Gardiner Expressway, Highway 427, and the QEW are easily accessible, facilitating efficient travel throughout the GTA and to Toronto Pearson International Airport.
