FORGE Architecture Lobby & Facade Renovation

| 1611 Telegraph

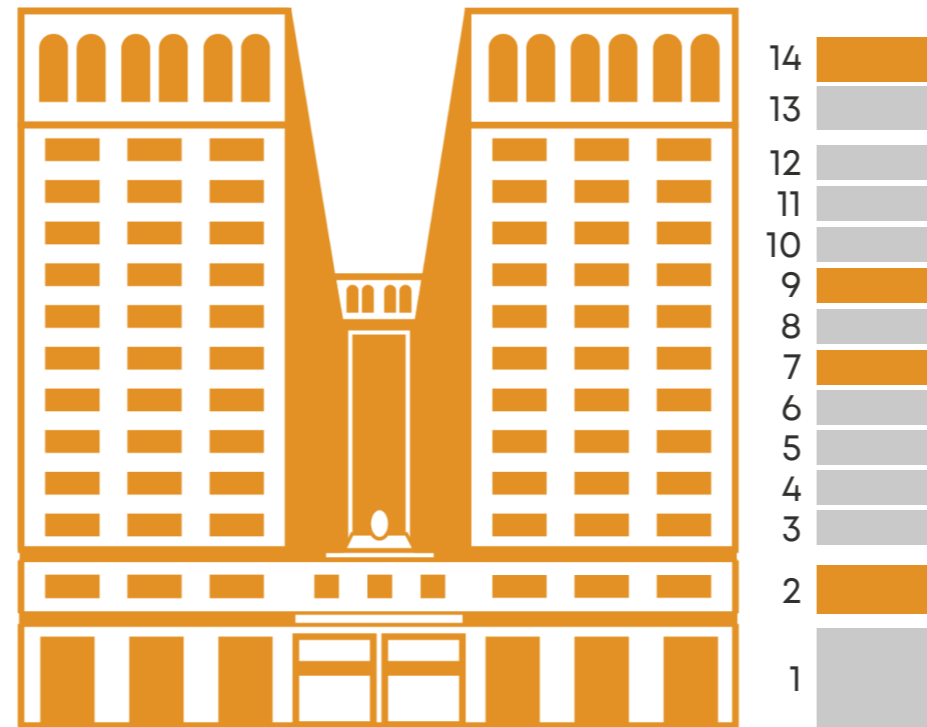

SCOPE OF WORK

- Designed a new **street-level facade** that blends with the historic tower above while introducing a refreshed, modern identity
- Helped preserve **original architectural elements**, such as windows and masonry, while updating adjacent materials
- Introduced **fluted column and classical detailing** in a contemporary cladding system to echo the building's original design language
- Supported a **cleaner, more inviting retail frontage** to activate the pedestrian plaza at Broadway and Telegraph
