GATEWAY TO EXCELLENCE

999 Boundary Road, Oshawa is strategically positioned for success in one of the GTA's most dynamic industrial markets. Located just east of Toronto with seamless access to major transportation corridors and regional markets throughout the Greater Toronto Area, this exceptional 312,762 square feet facility offers flexible purchase and lease opportunities in Durham Region. The property combines strategic location with functional design, featuring variable clear heights ranging from 22' to 25'3", superior dual-load shipping capabilities with 47 truck-level doors and one drive-in door, and thoughtful traffic management through separate employee and truck site access supported by over 300 car parking stalls. Advanced infrastructure including high-power electrical service of 2,000 Amps at 347/600 Volts, along with the ability to demise space to suit specific requirements, positions 999 Boundary Road as a turnkey solution for business prioritizing connectivity and distribution efficiency in today's competitive industrial landscape.
