6130 E CAVE CREEK RD 3B, Cave Creek, AZ 85331

Beautiful Retail Center that exudes the character you would expect for the Town of Cave Creek. Plenty of parking, Good foot traffic. In addition to 1060 square feet, you would have use of patio space in front of the unit, reducing your price per square foot. This spot would be great for a small sandwich shop, pizza place, bakery, etc. This whole plaza is rich in architectural appeal and has superb character.
