**3205 EAST THAYER AVENUE
BISMARCK, NORTH DAKOTA 58501**

SUMMARY

3205 E Thayer Avenue presents a unique opportunity to acquire a highly functional infill industrial facility totaling 48,740 SF in Bismarck, North Dakota. Originally constructed in 1973 and with renovations in 2018. The facility features three dock-high loading positions and clear heights ranging from 18' - 23', creating a turnkey solution for logistics, warehousing, and operations alike.

Strategically positioned with immediate access to Interstate 94 via the Bismarck Expressway, the facility serves as a connectivity hub for regional and national distribution networks. The infill location supports service-based businesses requiring proximity to rooftops and fleet deployment.

The site is available for sale or lease & currently has a short-term, 12,000 SF lease in place. Buyers may elect for the lease to be assigned or terminated, offering flexibility of immediate income or full building availability.

KEY LOCATION BENEFITS

Bismarck is North Dakota's capital city, creating a strategic hub for commerce and distribution in the Upper Midwest. The region benefits from exceptional highway connectivity, anchored by Interstate 94, which runs east-west from Montana to Michigan and links Bismarck directly to major markets such as Billings, Minneapolis, Milwaukee, Chicago, and Detroit. Complementing this is U.S. Highway 83, a north-south corridor stretching from Canada to the Gulf of Mexico, providing direct access to national supply chains and key distribution routes across North America.

The city's multimodal infrastructure further enhances its appeal. Bismarck Airport offers daily flights to major hubs including Minneapolis/St. Paul, Denver, Dallas/Fort Worth, and Chicago, with additional service to leisure destinations through Allegiant Airlines. Rail service from Burlington Northern Santa Fe Railway and Dakota Missouri Valley Western Railroad ensures reliable freight movement nationwide. Positioned along the Missouri River and nearly equidistant from Los Angeles and New York City, Bismarck delivers a central location with world-class transportation options, making it an ideal base for logistics, distribution, and service-oriented operations.
