DOWNTOWN WAREHOUSE PARK

Warehouse Park Concept Rendering

Warehouse Park is a new park coming to the heart of downtown Edmonton in 2025.

Designed for all ages and abilities, Warehouse Park will provide space to be active, relax and gather with friends and neighbours surrounded by green trees and a large open lawn. Located between 106 Street & 108 Street, and Jasper Avenue & 102 Avenue, Warehouse Park will cover 3.6 acres, and replace the currently existing surface parking lots. **The vision for this park is an urban oasis and an inclusive, multi-use green space featuring large, open areas that invite citizens and visitors to reflect and explore.** This park will serve as a major public amenity for downtown residents, workers and visitors as the downtown population is expected to significantly increase in the next decade.
