Marcus & Millichap has been selected to exclusively market for sale the Todd-Meharry Apartments located just minutes from downtown Nashville. This offering will allow a potential investor to purchase a rare value-add investment opportunity located in Nashville, TN.

This 14-unit offering includes a 13-unit multifamily building at 1037 DB Todd Boulevard and a single-family rental home next door at 1806 Meharry Boulevard, creating a rare small-scale portfolio in a tightly supplied North Nashville corridor. The unit mix is predominantly efficient one-bedroom layouts supported by strong demand from nearby universities and healthcare employers. Both assets are within walking distance of Fisk University and Nashville General Hospital and minutes from Downtown Nashville, Midtown, and the North Gulch. With rents well below market and multiple value-add levers including interior upgrades, RUBS implementation, and repositioning of the standalone home, new ownership has a compelling opportunity to enhance NOI. The central location, durable tenant base, and strong submarket fundamentals support both immediate operational upside and long-term exit flexibility.

Offers should be presented in the form of a non-binding Letter of Intent, spelling out the significant terms and conditions of the Purchaser’s offer including, but not limited to: 1) asset pricing, 2) due diligence and closing time frame, 3) earnest money deposit, 4) a description of the debt/equity structure, and 5) qualification to close. The purchase terms shall require all cash to be paid at closing.

At no point should tenants or staff be contacted regarding the sale of the Todd-Meharry Apartments.

Todd-Meharry Apartments

**1037 Db Todd Jr. Boulevard & 1806 Meharry Boulevard
Nashville, TN 37208**

Year Built: **1924-1939**
Total Number of Units: **14**

Investment Highlights:

- Combined 14-unit offering consisting of a 13-unit multifamily building and a standalone rental home next door
- Efficient unit mix with predominantly 1-bedroom layouts ideal for student, healthcare, and workforce tenants
- Strong rental upside with current rents significantly below market for North Nashville
- Excellent opportunity for value-add repositioning through interior upgrades and rent normalization
- Potential to implement RUBS or utility bill-back programs to enhance NOI
- Walkable location adjacent to Fisk University and Nashville General Hospital
- Minutes from Downtown Nashville, Midtown, and the North Gulch employment centers
- High-demand corridor with limited small-scale multifamily supply and consistent leasing velocity
- Durable tenant base supported by nearby universities, hospitals, and major institutional anchors
- Strong long-term fundamentals in a central Nashville location with stable rent growth
- Liquid submarket for small-scale multifamily, supporting flexible future exit strategies

03 | LOCATION OVERVIEW

Marcus & Millichap

Cosgrove Advisory Group

Nashville, TN

Known as the cultural epicenter of country music, the Nashville metro has roughly 2.2 million residents across 14 counties that span from highly urban to rural and sparsely populated. Davidson is the most populous county with about 712,000 people; it is home to a large portion of Nashville, the capital city, which has over 705,000 residents. The metro is in the north-central portion of the state, located in a topographical region called the Central Basin. The Cumberland River, which juts through the region, adds to the local economic base and enhances Nashville’s quality of life. Contributing to the metro’s economy is a strong intermodal infrastructure network, which links it to other population hubs in the south, midwest and northeast. E-commerce is also a growing presence, with Amazon’s Operations Center of Excellence in the metro. Vanderbilt and the University of Tennessee bring a large student population to the metro and foster a sense of community around college sports.

Music Industry Capital

Nashville is known as the epicenter of country music entertainment, helping fuel the market’s record-setting visitor counts in recent years. Several live music venues are clustered in the city’s iconic Broadway Historic District.

Diversifying Economy

Other major industries in the metro include health care, government, automotive manufacturing, publishing, insurance and finance. In 2024, ten Fortune 500 companies called greater Nashville home.

Robust Population Growth

Nashville’s population is projected to increase at the 13th-fastest pace among American major metros between 2025 and 2029. An estimated 33,000 people relocated to the area in 2024 — a figure in between New York City and the Newark metro.

Nashville, TN Economy

- The city has become a burgeoning tech hub, attracting startups and established tech companies. Nashville’s relatively low cost of living compared to other tech hubs like San Francisco and New York City, combined with its supportive business environment, has made it an attractive destination for tech talent and innovation.
- The local hospitality sector has additionally grown at one of the fastest paces in the country. Nashville’s hotel room inventory grew by about 20 percent between 2019 and 2024, coinciding with a roughly 14 percent increase in hotel room booking volumes — one of the nation’s highest in that period.
- Developers grew Nashville’s multifamily stock by 6.7 percent during 2024 — the fourth-fastest pace among major metros — and will follow that up with another 3.4 percent expansion in 2025, totaling almost 20,000 deliveries in two years.
- Oracle’s \$1 billion East Bank campus will bring roughly 8,500 high-paying tech and corporate jobs to Nashville, fueling billions in long-term economic impact and catalyzing large-scale development across the surrounding area. The project strengthens the city’s position as a rising technology and innovation hub, driving demand for housing, retail, and office space to support a rapidly expanding workforce.
- Fortune 500 companies headquartered in the region include HCA Healthcare, Dollar General, Community Health Systems, Delek US Holdings and Tractor Supply Co.

New Developments

Nashville Yards

Nashville Yards is a 19-acre mixed-use district in downtown Nashville featuring Class A+ office towers, over 2,000 residential units, more than 1,000 hotel rooms, 365,000+ sq ft of retail and entertainment, and 7 acres of open plazas. Anchored by tenants like Amazon and Creative Artists Agency, it integrates commercial, residential, hospitality, and cultural amenities to create a vibrant live-work-play environment.

Economically, Nashville Yards is a major growth driver, projected to generate over \$2 billion annually and support nearly 15,000 permanent jobs. By attracting top-tier firms, premium hospitality, and a 4,500-seat entertainment venue, it strengthens Nashville’s downtown tax base, stimulates surrounding real estate, and reinforces the city’s position as a hub for business, tourism, and urban living.

East Bank Development

The Nashville East Bank Plan will deliver 22 million square feet of mixed-use development across four walkable districts, anchored by a new home for the Tennessee Performing Arts Center, a “Mobility Hub” transit center, 12 acres of parks, and a domed football stadium within a “stadium village” at the Central Waterfront District. The project transforms roughly 550 acres of under-utilized riverfront land across the Cumberland River into a high-profile, connected urban district, with the 2024 Master Developer Agreement enabling infrastructure, retail, office, hospitality, and affordable housing investment.

Revitalizing the East Bank addresses the area’s industrial past and limited river access, restoring the waterfront and bridging the gap to downtown. This transformative redevelopment is positioned to generate significant economic impact, catalyze new business and housing demand, and create a vibrant, accessible urban environment—strengthening Nashville’s downtown as a hub for commerce, culture, and community.

BNA New Horizons Expansion

Nashville International Airport (BNA) has embarked on a comprehensive expansion strategy to keep pace with the region’s rapid growth and increasing air travel demand. The first phase, known as BNA Vision, was substantially completed in 2023 and delivered major upgrades including expanded concourses, a new international arrivals facility, additional parking structures, and the Grand Hyatt Nashville Airport hotel, which opened in March 2024. Together, these improvements established a modern foundation for the airport’s next era of growth.

Building on that momentum, BNA has launched New Horizons, a \$1.4 billion initiative slated for completion by 2028. This next phase focuses on expanding terminal space, improving roadways, and creating more capacity for airlines to operate efficiently. The goal is to ease congestion, streamline passenger flow, and prepare for the millions of additional travelers expected over the next decade. In total, the Metropolitan Nashville Airport Authority has outlined more than \$4.5 billion in current and planned investments, making BNA one of the most ambitious airport expansion efforts in the nation.

Beyond infrastructure, the airport’s ongoing growth serves as a powerful economic driver for Middle Tennessee. BNA already supports more than 76,000 jobs and contributes over \$8 billion annually to the local economy—a figure expected to climb as expansion projects advance. Construction alone has created thousands of jobs, nearly 80 percent filled by local workers, and generated millions in contracts for small, minority-, and woman-owned businesses. Additionally, new airline operations, such as Southwest’s Nashville crew base, are creating over a thousand permanent aviation jobs, further reinforcing BNA’s role as a cornerstone of the region’s prosperity.

Project Components

New Terminal Concourse: The expansion includes the construction of a new terminal concourse to increase gate capacity and improve passenger flow. The expanded terminal will feature additional dining, retail, and passenger services to enhance the traveler experience.

Modernized Facilities: Upgrades to security checkpoints and check-in areas are designed to streamline the travel process, reducing wait times and improving overall efficiency.

New Parking Facilities: Additional parking structures will be built to accommodate the growing number of passengers and visitors.

Infrastructure Upgrades: The project includes upgrades to runways and taxiways to support increased flight operations and improve safety.

Multifamily - Market Report

Marcus & Millichap | Nashville, TN Metro Area | Multifamily 2025 Outlook

In-migration aids luxury demand as inflation weighs on low-cost renters. Nashville’s strong job market is projected to drive a household formation rate nearly double the national average, supported by the country’s second-lowest unemployment rate entering 2025. Major investments, such as Oracle’s future national headquarters and the addition of over 500,000 square feet of pre-leased office space at Nashville Yards in early 2025 will grow the number of major employers in the urban core. The metro’s expanding industrial sector should also bolster employment, encouraging a steady influx of residents that is expected to keep apartment demand ahead of new supply. In the suburbs, where upper-tier vacancy fell in 2024, fewer deliveries this year will help sustain downward pressure on local rates. Concentrated new supply in Central Nashville should also be generally well-received after Class A vacancy held firm around 7 percent last year. In contrast, lower-tier units have experienced weaker demand as price pressures constrain low-to-moderate-income households. Still, Nashville’s wage growth outpacing regional inflation — which fell in line with the national rate in late 2024 — should aid leasing.
