Reimagine 25,133 SF of Office and Retail in a Rattenbury-Designed Heritage Landmark in Victoria's Core.

PROPERTY OVERVIEW

A rare opportunity to own or lease this iconic flagship building, on one of the most prominent corners in the City of Victoria. This is a Rattenbury designed landmark which has been occupied by the Bank of Montreal since 1906. The building holds unique historical and architectural significance and brings gravitas to the corner. The building has unparalleled exposure at the entry of the downtown core. Separate entrances for the retail and office premises provide the opportunity for a multi-tenanted building. The retail floor has vaulted ceilings and multiple entry points. It has an open floor plan that accommodates the existing financial institution or the possibility of re-envisioning the space for a new use. The upper-level office floor is fully built out. It has multiple windows fronting both Yates Street and Douglas Street, large interior skylights providing natural light throughout, multiple break-out and kitchen areas with access to plumbing, vast storage, and end of trip facilities already in place.
