INTRODUCTION

A further development by Hardwick Land Developments following the successful completion of Phase 1 Tansley Business Park and are bringing a further 7 brand-new business units to the market, with construction commencing Spring 2025.

DESCRIPTION

Units are of steel portal frame construction and will be finished in Goosewing Grey insulated cladding with flashing and water goods in anthracite. The units will come with 3 allocated parking spaces. Internally, there will be a power floated concrete floor with point load capacity up to 5KN m2 and an eaves height of 6m, allowing the ability to install mezzanine floors. The units shall be offered in shell condition with distribution board installed, basic LED lighting, 3kw solar panels and fire alarm. Other services will be capped in the unit.

The units benefit from Use Classes B2, and all uses within Class E, save for E(a). Some examples of potential uses include Offices, Financial and Professional services, Clinics, Gyms and R&D of products.
