## PROPERTY DESCRIPTION

An amazing opportunity to own a multifamily property in the heart of the desirable Makiki neighborhood. The 6-unit property consists of a 5-unit apartment building made up of 3 (1bd/1ba) and 2 (2bd/1ba) units, along with a 4bd/2ba single family house. All units are separately metered for electricity. The large house allows an owner the potential to “house hack” the property and offset their housing expenses with the other 5 units’ rental income. The property recently underwent significant renovation, including new flooring, paint, windows, ceiling fans, appliances, and fixtures to all of the units making this a turn-key investment with excellent return metrics yielding a 4.8% cap rate at acquisition. Well positioned within proximity to Makiki Shopping Center, Roosevelt, Punahou School, University of Hawaii, and Ala Moana.
