FIND YOUR PLACE

This class A building features 5 floors of premier office space with flexible configurations, efficient floorplates, two and unique signage opportunities so that your office space can be distinctly your own.

BE ENGAGED

In today's competitive market for talent, office culture is everything. The modern, dynamic design of Atrium I helps foster collaboration and engagement among diverse teams while creating a high-energy environment wherein employees thrive.

STAY CONNECTED

The city of Dublin sponsors 125 miles of fiber optics called Dunlink Transport that runs underground throughout Dublin and many surrounding Central Ohio communities. Dunlink makes Dublin the best-connected community in Central Ohio and beyond and is recognized globally as a top broadband-rich environment

BEST-IN-CLASS AMENITIES

Atrium I represents a bold new vision of what office space can be. With flexible, best-in-class space and a unique, 21st century amenity offering, Atrium I combines modern design, unique programming and amenities, and superior technology and sustainability features to cater to today's dynamic workforce.

With ample outdoor space and a highly-amenitized locale, Atrium I offers unrivaled accessibility and caters to those seeking an elevated work experience.

Take a lunchtime stroll, walk or enjoy a short drive to one of the many shopping and dining establishments nearby, or run a quick errand to one the many convenience and specialty stores in the area.

CAFE

A cafe/deli serving breakfast and lunch will be located on the first floor, and will add to the high energy atmosphere of the common area that features TVs and casual seating. The cafe will offer daily specials alongside a menu of quick serve and grab & go items.

COLLABORATION

The lobby features large, communal tables that encourage collaboration and conversation. Perfect for team meetings, casual work sessions, or catching up over coffee, these tables provide ample space in a bright, open setting designed to keep energy and productivity high.

HEALTH & WELLNESS

A healthy body promotes a healthy state of mind and helps boost productivity. Atrium I provides access to a fully-equipped fitness center featuring cutting-edge training equipment and shower/locker rooms.

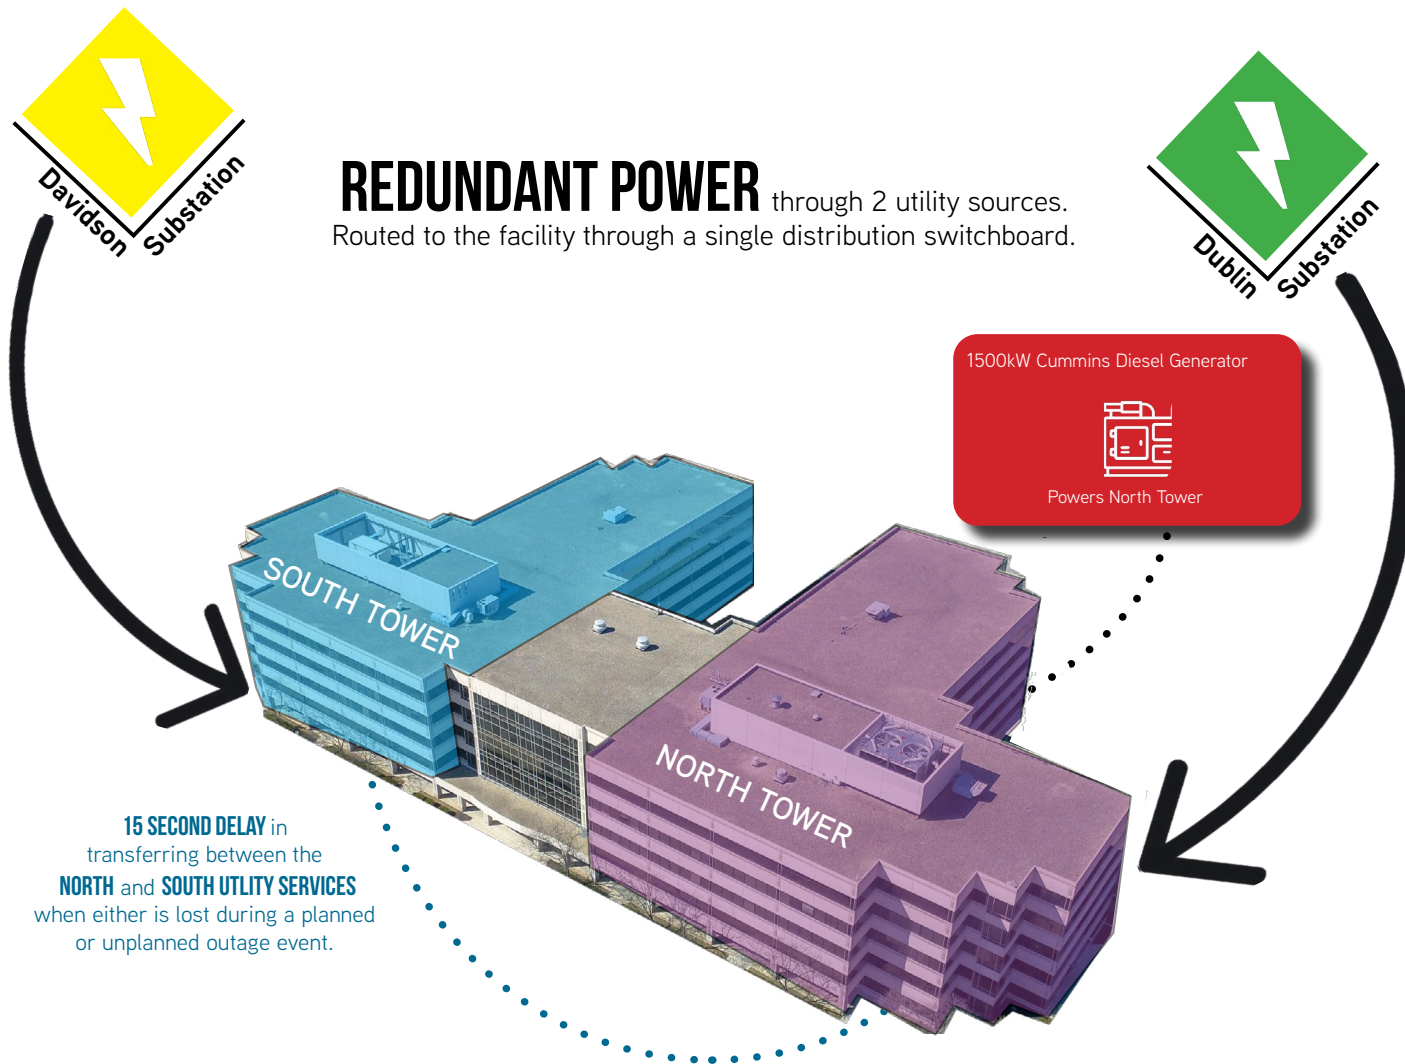

CONFERENCE ROOM

The common conference room will be available for short and long term reservation as an additional space to host trainings, large meetings, events, and the like. The conference room will fit ~200 people

REDUNDANT POWER

Atrium I features redundant power to ensure you survive a spontaneous server power supply failure by using separate building circuits to run dual power supplies.

THRIVE IN DUBLIN

With its strong economic base and robust physical and technology infrastructure, the Dublin Business Community provides an environment where smart and innovative organizations thrive. Dublin is consistently ranked one of the safest cities in the nation, and in 2015, it was named one of America's Top 20 Creative Class Cities. It is an attractive dining, shopping and entertainment destination anchored by the newly-developed urban, walkable Bridge Park.

VIBRANT COMMUNITY

Approximately 25 square miles, the City annually hosts the Jack Nicklaus PGA Tour Memorial Tournament at Muirfield Village Golf Club and one of the nation's largest Irish cultural events, the Dublin Irish Festival. In 2014 and 2012, Dublin was recognized as the Most Outstanding Global Festival and Event City in the World by the International Festivals and Events Association.

CORPORATE NEIGHBORS

As the largest Class A submarket, Dublin is home to more than 20 corporate headquarters and 4,300+ businesses, and attracts large corporate users including Cardinal Health, CareWorks, and The Wendy's Company. Thriving, innovative businesses across all major industries have already chosen Dublin as the place to call home.

Dublin, Ohio's City- Owned Fiber Optic

An optical fiber is a flexible, transparent fiber made by drawing glass or plastic to a diameter slightly thicker than that of a human hair. Using these thin flexible fibers with a glass core light signals can be sent with very little loss of strength.

Building Permit Assistance

The City of Dublin has organized a cross functional team called Review Services to complete commercial plan reviews. The team is comprised of specialists from Building Standards, Planning, Engineering, and the Washington Township Fire

Department. Their purpose is to perform plan reviews in a unified and coordinated fashion for compliance with building, fire, engineering, landscape and zoning standards.

The Dublin economic development team attends

State of Ohio

JobsOhio exists to drive Ohio's job creation, new capital investment, and economic growth by being a leading provider of innovative business solutions to companies. Dublin's Economic Development team helps coordinate state incentives for businesses as well.

Performance-Based Incentives

The City may offer growing companies annual performance-based cash incentives based upon a percentage of actual payroll withholdings (2% of wages). Using job and payroll growth figures provided by the company, the City may propose multiple-year term annual payments equivalent to a set percentage of the total annual payroll withholdings paid to the City.
