Location

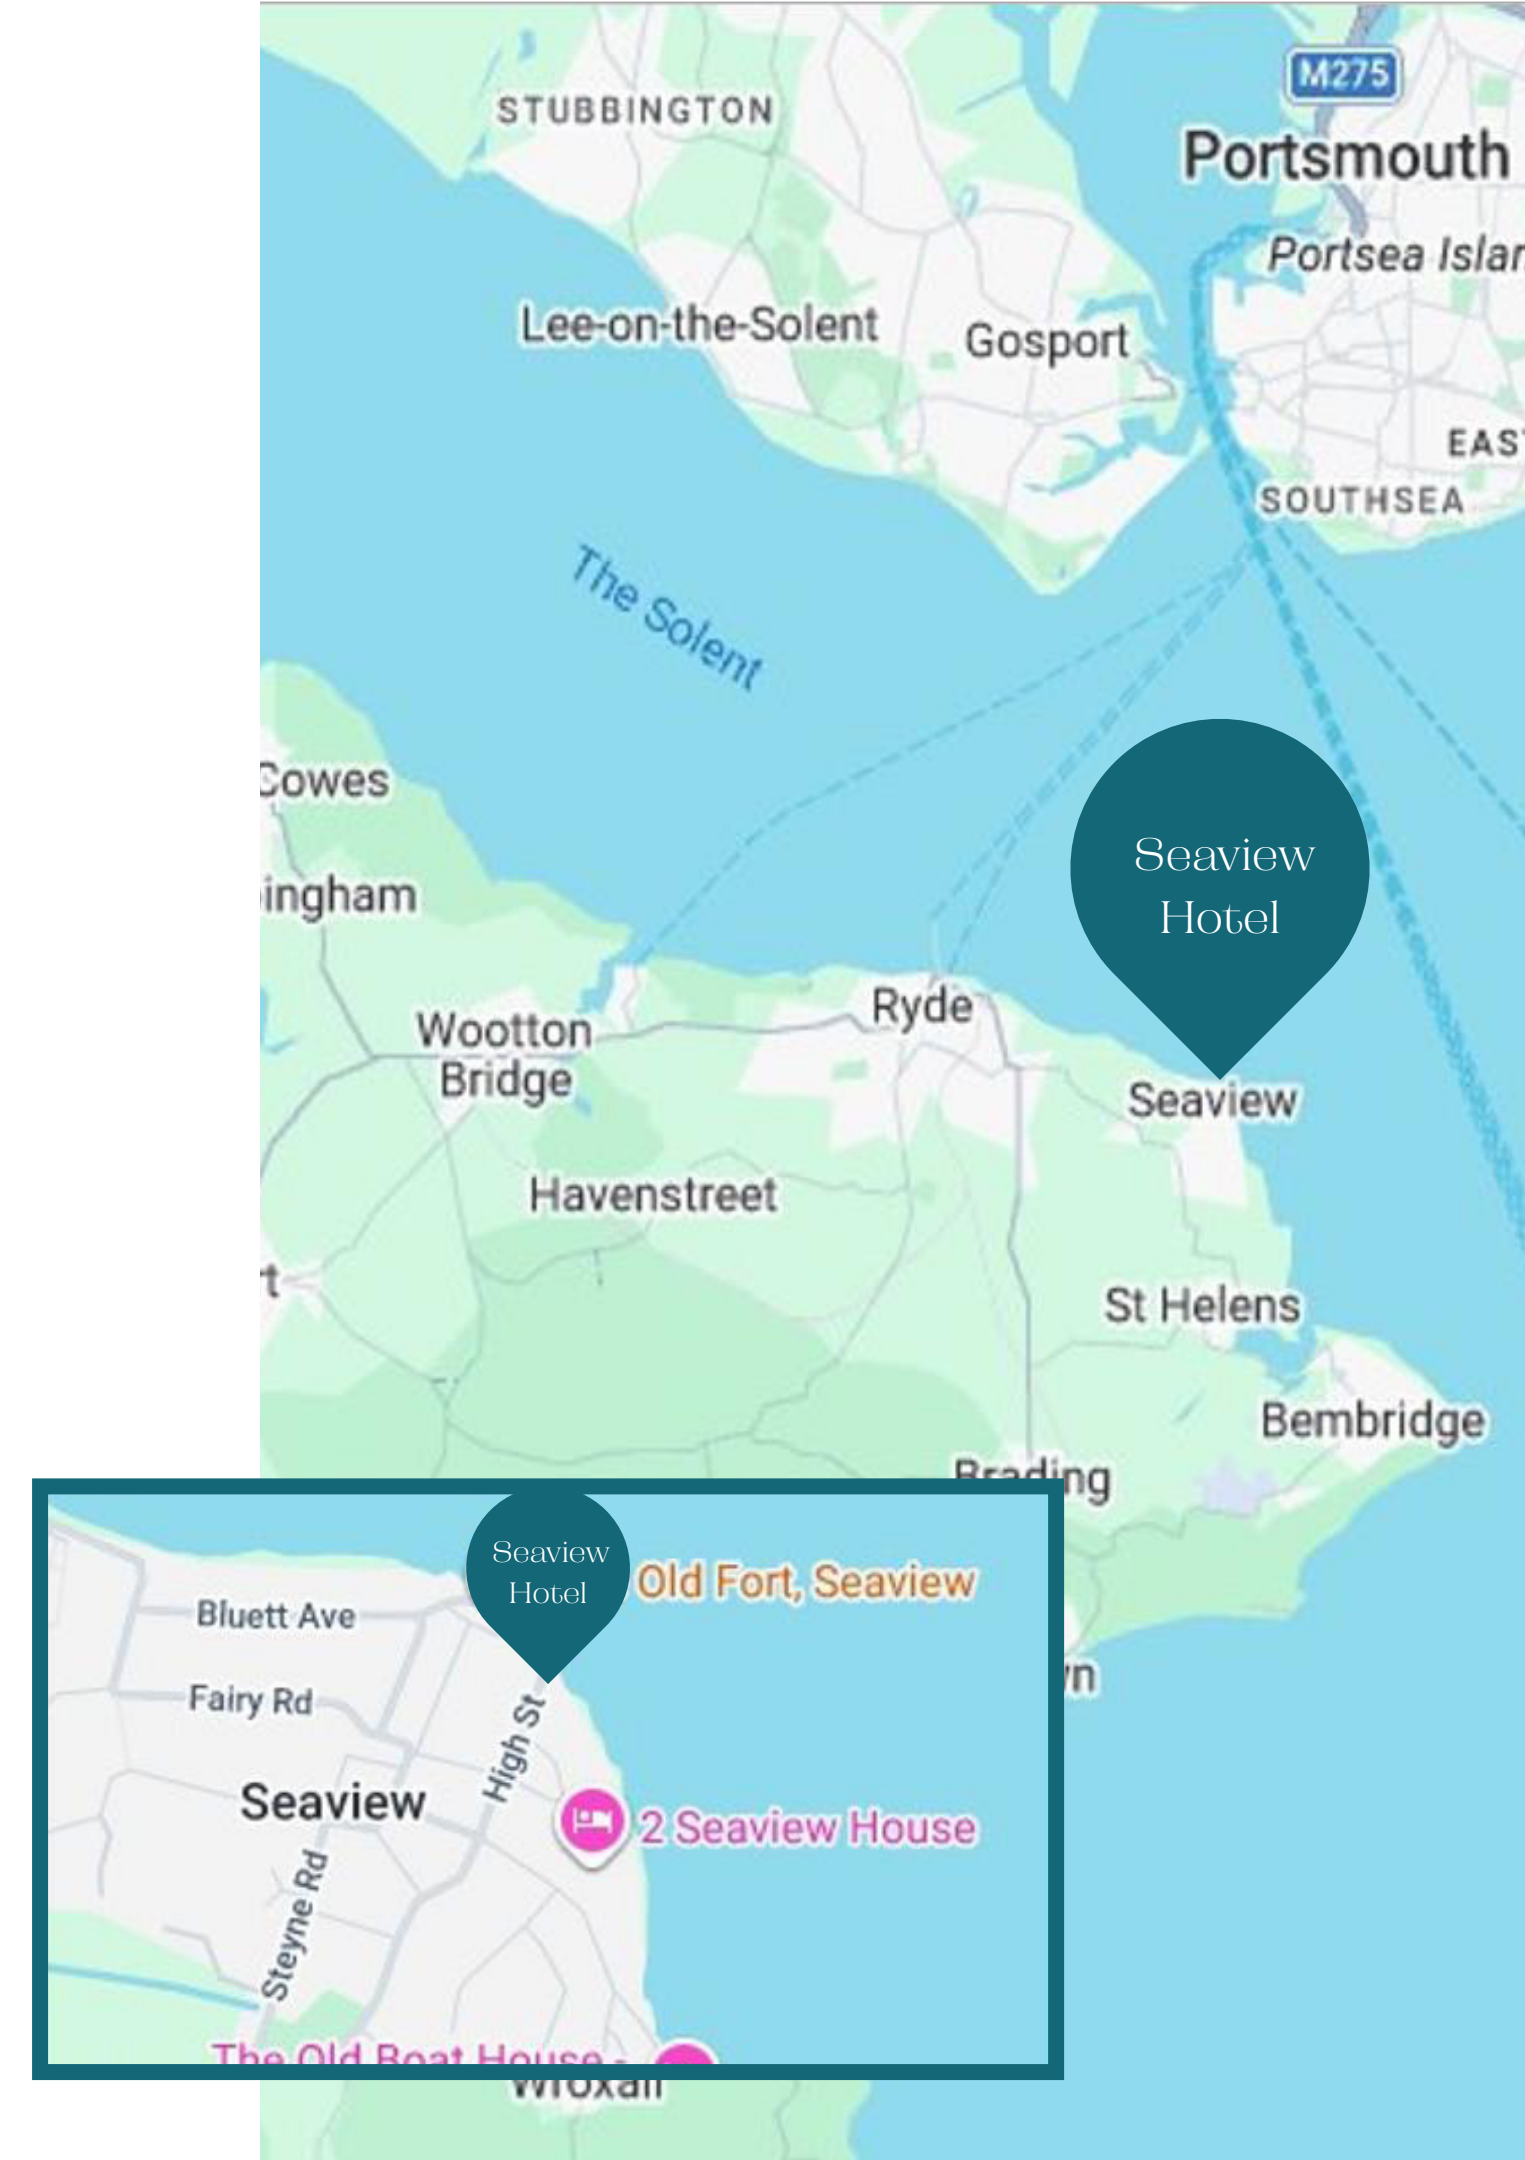

The Seaview Hotel is situated in the heart of the popular village of Seaview occupying a prime site on the High Street.

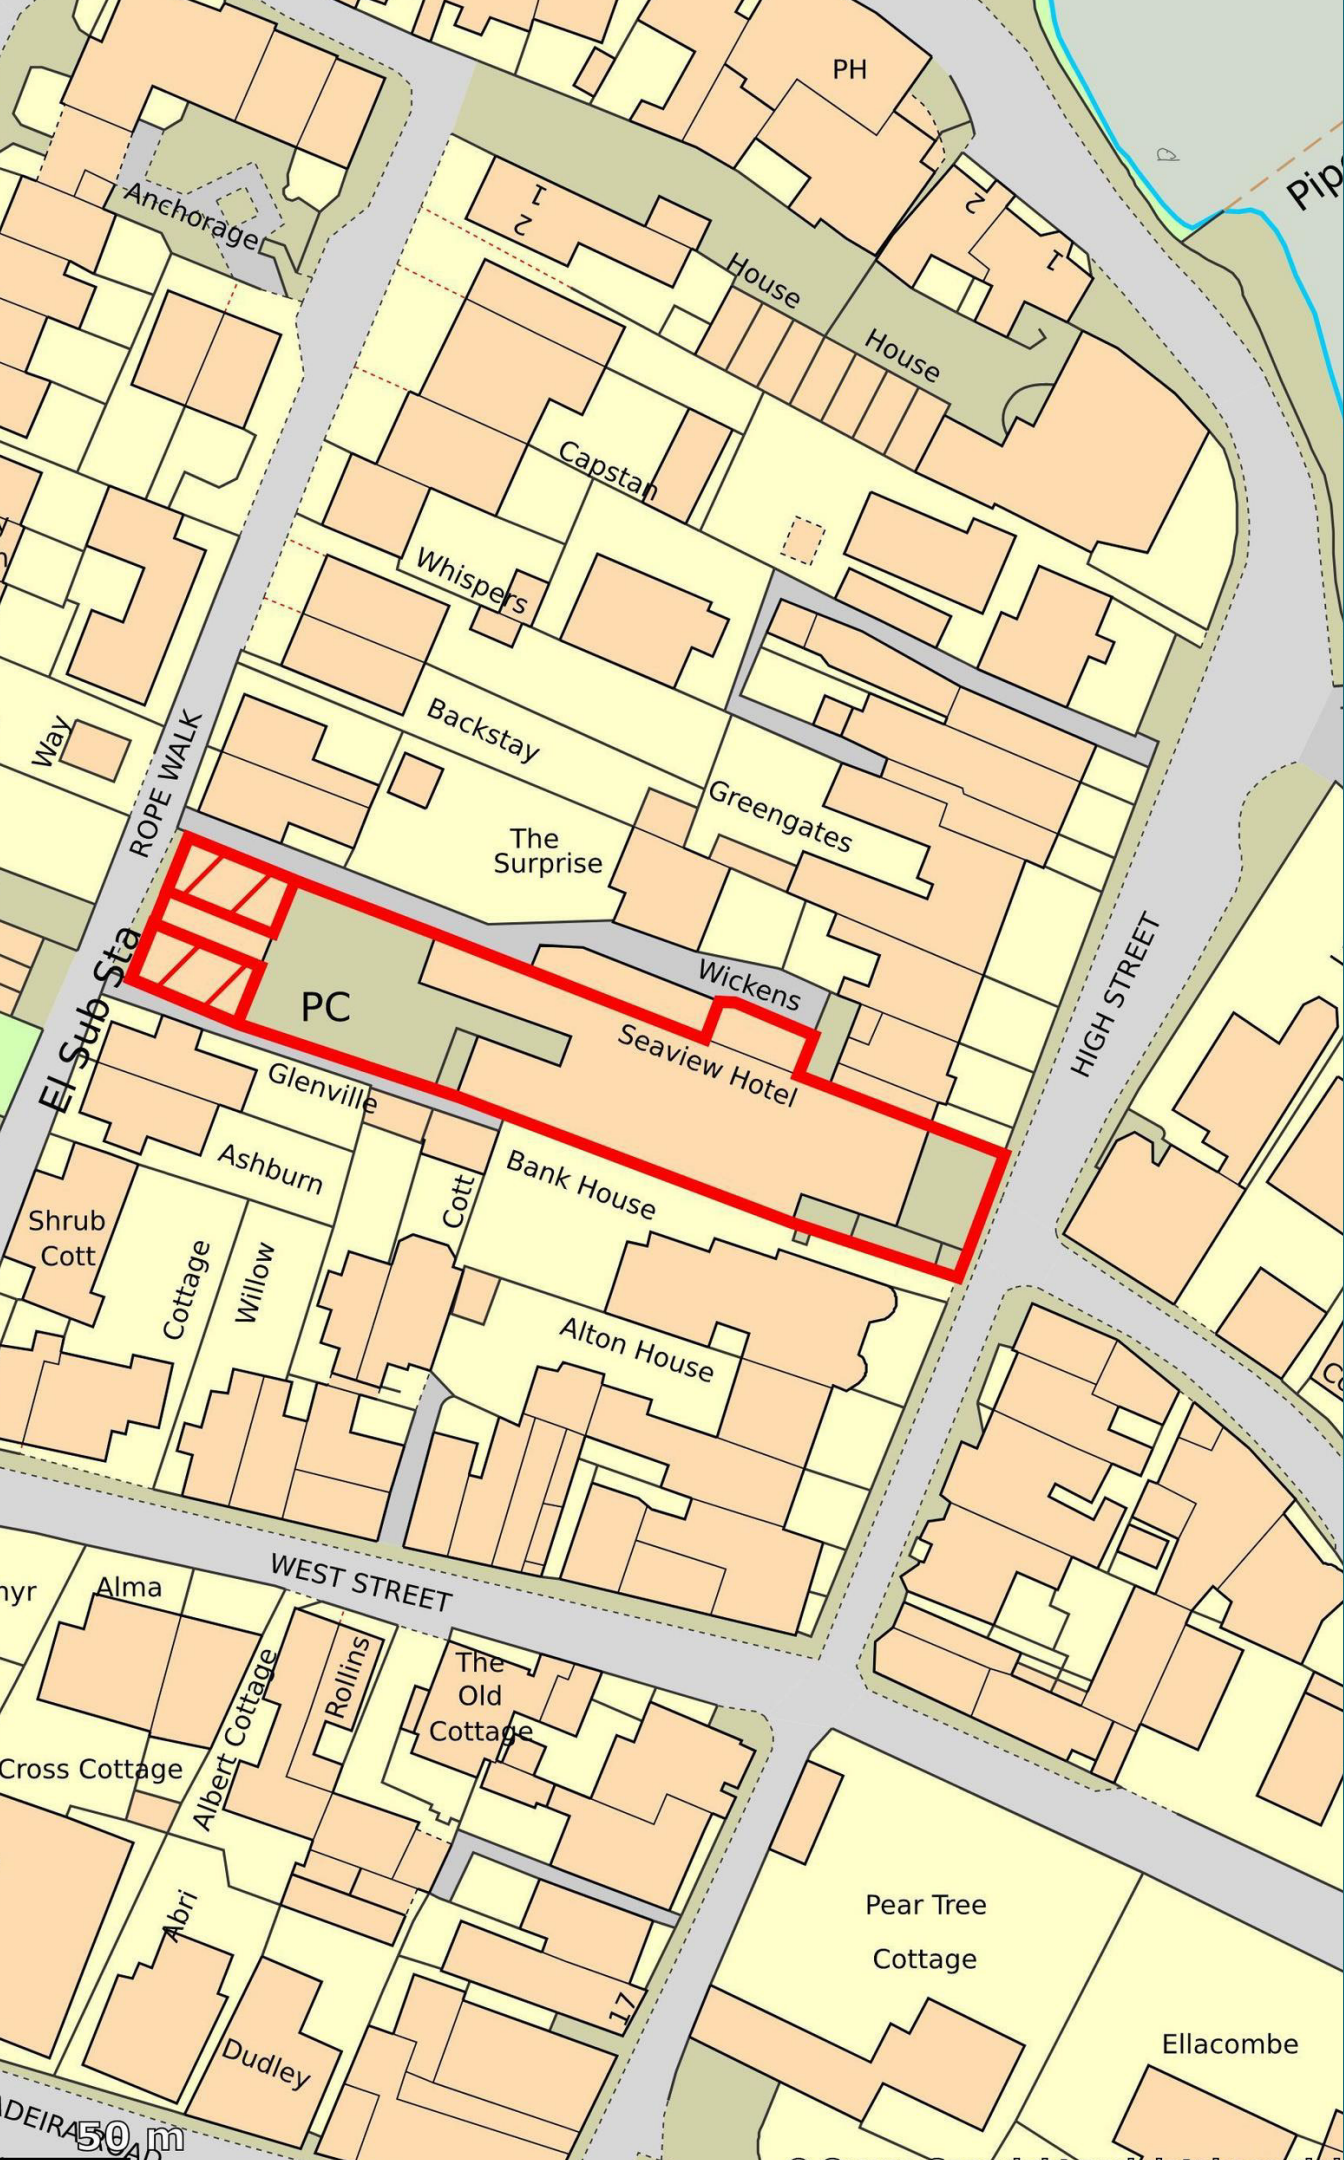

Priory Bay is approximately a ten-minute walk to the southeast of the village. In addition, Seagrove Bay, is between the village and Priory Bay. Some of the largest houses in the area are along Pier Road and Bluett Avenue, and this is partly responsible for the nickname "millionaires avenue".

The Isle of Wight offers a wonderful blend of relaxation, adventure and discovery, and the Seaview Hotel provides the perfect base from which to explore it all. From scenic coastal walks and unspoiled countryside to charming villages, independent shops and local attractions, the Island rewards those who take the time to wander and explore. Whether you're seeking beautiful beaches, historic landmarks, or simply a peaceful spot to take in the views, you'll find it all within easy reach.

The Isle of Wight has three connecting car ferries that leave from Southampton, Portsmouth and Lymington. There is also a catamaran passenger ferry and a hovercraft which transports passengers to the Island between Portsmouth/Southsea and Ryde. There is also the Red Jet catamaran from Southampton to West Cowes.

The Island generally attracts over one million visitors per year which is only increasing and many of whom have come to enjoy the dramatic coastline which stretches for over 60 miles and ranges from cliff tops to award winning beaches.

Description

The property was built in 1800 as a private house and shortly afterwards became an Inn.

Once owned by Brickwood's, a local brewery, it became one of their "Sunshine Hotels".

There is also Myrtle Cottage which has been 'amalgamated' with the hotel to provide additional accommodation and includes a self-contained 2 bedroom self-catering cottage with kitchen lounge and bathroom.

Tenure - Freehold with the exception of the hotel annex (hatched areas) which are held on a 125 year lease from IOW Council from 2007 and expiring in 2132 with a peppercorn rent.
