

MCGARRAH JESSEE BUILDING
121 W 6TH ST

 ENDEAVOR

◆ **THE MCGARRAH JESSEE BUILDING** was meticulously constructed with utmost craftsmanship and creativity. It has received awards including the Texas Society of Architects Design Award, Architect Magazine Workplace Award, ABJ Commercial Real Estate Office Rehab Award, and recognized in countless publications across Texas. The building is located at 6th & Colorado offering direct proximity to Austin's eclectic CBD. Garage Bar, Lonesome Dove, and Comedor are located on the street level of the building, providing convenient options for food and nightlife while outdoor patios crown the top of the building, providing a special view of downtown Austin.
