# BELTLINE WESTSIDE TRAIL

The Atlanta Beltline Westside Trail is one of the most dynamic stretches of the larger Atlanta Beltline, running about 3 miles through the west side of Atlanta from Washington Park down to the historic West End. Built on a former freight rail corridor, the trail blends green space, neighborhood access, and redevelopment in a way that feels more relaxed and community-oriented than the busier Eastside section. Along the route you'll find public art installations, fitness stations, playgrounds, and access points to parks like Washington Park, with tree cover and skyline glimpses that make it especially popular for walking, running, and biking.

A major highlight — and a key driver of the Westside's recent energy — is the nearby Lee + White development in the West End. Located just off the trail, Lee + White has transformed historic warehouse buildings into a vibrant food and beverage district anchored by breweries, restaurants, and gathering spaces. It's home to spots like Monday Night Garage (the second location of Monday Night Brewing), plus a growing lineup of food halls, coffee shops, and event venues. The development is also becoming known as Atlanta's "beer district," with multiple breweries clustered within walking distance of the BeltLine access point.

Lee + White's proximity to the Westside Trail has helped turn this portion of the Beltline into more of a destination rather than just a recreational path. Visitors can bike or walk the trail and easily transition into dining, live music, markets, and community events, creating a strong connection between outdoor recreation and neighborhood revitalization. The combination of historic West End architecture, adaptive reuse projects, and BeltLine connectivity makes this corridor one of the most rapidly evolving areas in the city — and one to watch as future phases of the Beltline continue to expand.

## ATLANTA'S WEST END

Atlanta's West End is a historic, vibrant intown neighborhood located just southwest of downtown Atlanta. Known for its tree-lined streets, Victorian-era and bungalow-style homes, and strong sense of community, the West End blends historic charm with modern urban convenience. The neighborhood offers excellent transit access through the Metropolitan Atlanta Rapid Transit Authority (MARTA) rail station and benefits from proximity to the Atlanta Beltline Westside Trail, providing residents with easy access to parks, trails, and neighboring districts.

With ongoing investment in infrastructure, preservation, and public amenities, the West End has become an increasingly desirable location for both residents and businesses, balancing historic character with a growing urban lifestyle. Its walkability, connectivity, and emerging cultural energy make it one of Atlanta's most compelling intown neighborhoods.

# IN THE AREA

## LEE + WHITE

Lee + White has emerged as one of Atlanta's most exciting mixed use destinations. The redevelopment of the West End community's former "Warehouse Row" showcases a mix of cutting-edge breweries, restaurants, retailers and food manufacturers. With a focus on contributing to the growth and energy of Atlanta's historic West End, the next chapter in the Lee + White redevelopment will diversify the project's offerings to include a food hall, unique retail spaces and creative loft offices.

## ATLANTA BELTLINE WESTSIDE

The PATH Foundation has partnered with the Atlanta Beltline, Inc. and recently opened the Westside BeltLine Connector in March of 2021. The Westside BeltLine Connector is part of a 10-mile connection from PATH's Silver Comet Trail in Cobb County. Through this new connection, Atlanta will be the only major U.S. city with a trail emerging from its city center and stretching 100+ miles into a neighboring state, Alabama.

## MOREHOUSE / SPELMAN COLLEGE

Morehouse College and Spelman College are two prestigious historically Black colleges located in Atlanta, Georgia. Morehouse is an all-male liberal arts college known for producing influential Black leaders, including Dr. Martin Luther King Jr. Spelman is an all-female liberal arts college renowned for its academic excellence and commitment to empowering women of African descent. Both schools are part of the Atlanta University Center Consortium and have a rich legacy of social justice and leadership.

## MARTIN LUTHER KING JR. NATIONAL HISTORICAL PARK

The Martin Luther King Jr. National Historical Park in Atlanta, Georgia, preserves the legacy of Dr. Martin Luther King Jr. It includes his childhood home, the Ebenezer Baptist Church where he preached, and the King Center, where he and Coretta Scott King are buried. The park honors his life, work, and impact on the civil rights movement.

## WESTSIDE RESERVOIR PARK

The park is the City of Atlanta's largest planned greenspace. Located in northwest Atlanta, it will double as a water reservoir and a 280 acre park when complete. Plans for the first section call for walking trails, an open lawn, a grand overlook, and city views. Westside Park will connect to the Atlanta BeltLine's Westside Trail Extension, the Westside BeltLine Connector, and Proctor Creek Greenway in the future.

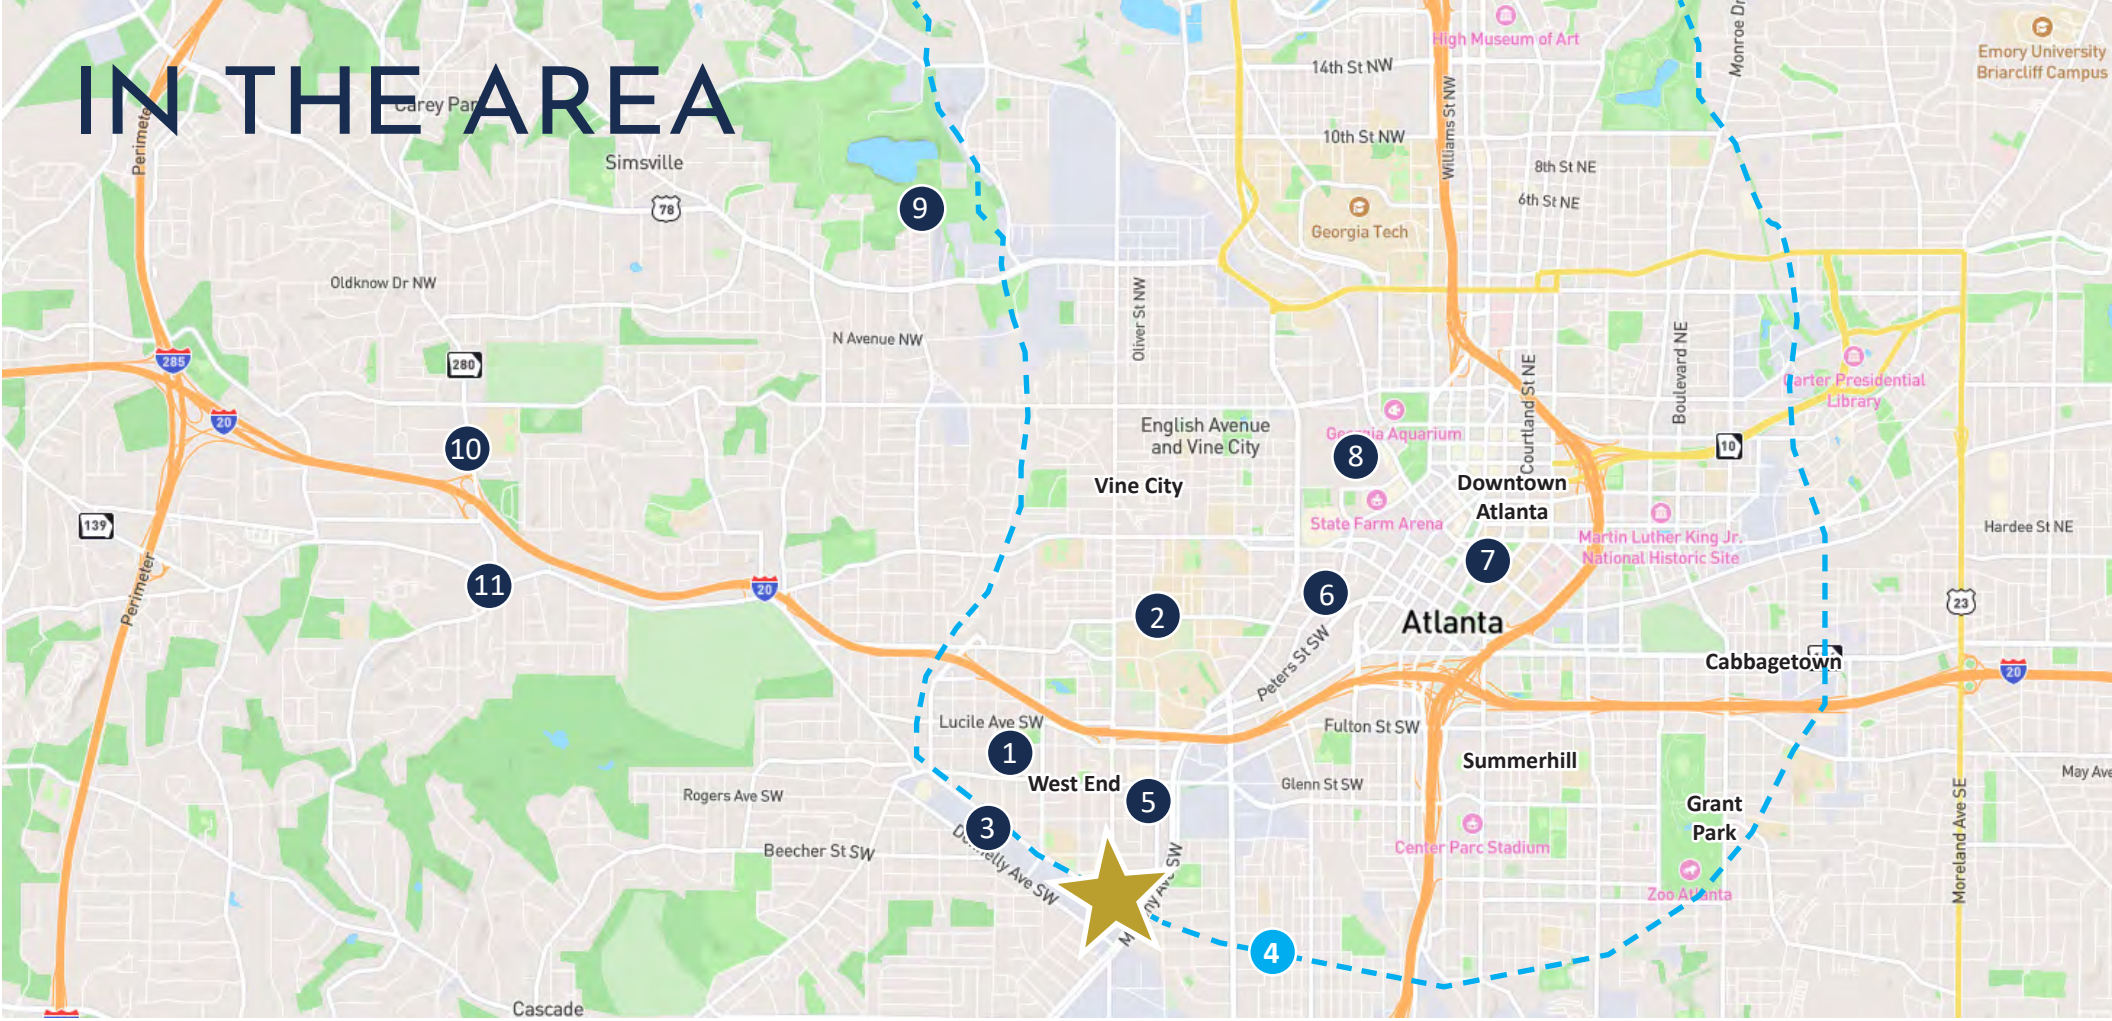

## QUARRY YARDS / MICROSOFT

Quarry Yards is located directly adjacent to the new Westside Park at Bellwood Quarry, a 300-acre park. Once completed, the park will be the largest park in Atlanta, and create a tremendous amenity for the city and those who live, work, and play at Quarry Yards. In addition, the new Proctor Creek Greenway runs through the heart of the site and will eventually link the Westside BeltLine trail with the new park.
