THE VISION

The Live-Work Townhomes are part of the next evolution of Middlebrook Agrihood—a community that blends small-town charm with entrepreneurial energy. Current prospects include a coffee roastery and a real estate office, highlighting the versatility of this product and its appeal to local business owners.

LIFESTYLE POSSIBILITIES

Live Above, Work Below: Perfect for business owners who want to eliminate the commute and embrace a walkable lifestyle.

INVESTMENT OPPORTUNITY

Own commercial space and lease it to a tenant while using the upper residence as a high-end rental or Airbnb.

HYBRID USE

Operate your own business on the main level and host clients in a polished, urban-feeling space—while enjoying a private retreat upstairs.
