Colliers

location

The site is well positioned with freeway frontage visibility and access to the I-215 full interchange at Ethanac Road. It is also surrounded by new commercial development and multi-family housing all within walking distance. Rail service connects the property to key markets, the ports of L.A. / Long Beach and nearby airports - including the rapidly expanding Ontario International Airport, Palm Springs International Airport and the San Bernardino International Airport. Riverside County is the 4th most populous county in California and one of the fastest growing in the United States.
