ABOUT VOLKSWAGON GROUP OF AMERICA SUBSIDIARY ELECTRIFY AMERICA:

Electrify America LLC, a subsidiary of the Volkswagen Group of America, is the largest open Hyper-Fast charging network in the U.S. and is investing more than \$2 billion in Zero Emission Vehicle (ZEV) infrastructure and access. The investment enables millions of Americans to charge with confidence and discover the benefits of electric driving on its coast –to coast network of highway and community chargers.

Electrify America's Hyper-Fast network currently operates in 47 states and the District of Columbia, supporting increasing ZEV adoption with a network that is convenient, technologically advanced and built for customers.
