An elevated office setting

The Executive Suites at Charleston Gateway Campus offer an exclusive selection of leasable private offices in a professional setting with marble-lined lobby, multiple conference spaces, gracious ceiling height, beveled glass office enclosures and rich wood trim. These offices are suitable for professional leaders, innovators and entrepreneurs seeking an elevated work environment. Fellow tenants include attorneys, financial advisors, insurance agents, accountants, and wealth managers.

Located at the intersection of Calhoun and East Bay streets, the campus is a walkable complex occupied by office and service related businesses. The newest restaurant addition is Marbled & Fin, easily accessible to guests off of Washington Street and with convenient parking on site, on street, and in the aquarium garage. Within close proximity and comfortable walking distance are Beech Café, Ted's Butcher Block, Shiki and East Bay Deli. A back-up generator allows for uninterrupted service in the event of a power outage. The Ravenel Bridge and I-26 are both conveniently accessible.
