PROPERTY DESCRIPTION

Pristine 370 acres located in Waihe'e Valley on the North Shore of Maui. Plans for preliminary approval of a 24 lot subdivision with expansive ocean and mountain views from the homesites. 3 water wells are already in place for a private water system for residential and irrigation uses. Located within walking distance to ocean and river access. The fresh mountain water of Waihe'e River runs along the south side of the land, and is bordered by other large parcels and thousands of acres of forest preserve. Enjoy the very private country setting, yet centrally located only 10 minutes from Wailuku Town and 15 minutes from the Kahului Airport. The perfect property for a self-sufficient estate, ranch, or retreat with pure ground water, clean rainfall, and cool trade wind breeze. The ideal climate for growing your own food. The elevations range from approximately 200ft to 1,300ft. Waihe'e Valley is known for its beautiful river and the Waihe'e Ridge hiking trail located just above this property.
