# PROJECT

1094 Haines Road is an 84,905-square-foot former Kmart space located in York, Pennsylvania. This site is exceptionally well-positioned, offering excellent visibility and multiple points of access. It features signalized access via Haines Road (16,600 VPD) and convenient connectivity to Mt. Rose Avenue and Interstate 83 (77,000 VPD), making it easily accessible for both local and regional traffic.

The project is surrounded by a strong mix of national and regional retailers, including Walmart, Weis, Giant, Grocery Outlet, Gabe's, Ollie's, and Planet Fitness, enhancing its appeal and potential as a retail, office, or medical destination.

# LOCATION

1094 Haines Road is strategically positioned with significant frontage along one of the market's primary retail corridors, Haines Road. The property benefits from the high-volume traffic flow of Haines Road and Mt. Rose Avenue, which are two of the area's heaviest traveled roadways. Both act as feeder roads to access Interstate 83, which sees over 77,000 VPD. The corridor acts as a focal point for retail, office and medical, with a trade area that extends more than 5 miles, attracting a vast customer base. With a high concentration of traffic driven by the anchor tenants located in the surrounding retail centers, the center pulls from not just the immediate trade area but the surrounding market points as well.

# TRADE AREA

Adding to the stability of the project, 1094 Haines Road shows a 10-minute drive time demographic of over 187,163 people with household incomes of more than \$74,712 and daytime employment demographics equally as strong with 121,267. The demographics within a 5-mile radius include 150,864 people in 58,730 homes, a labor force of 77,633, with an average household income of \$76,876. The area's growth since 2000 has increased over 10.4% with 5,959 new homes.
