// PROPERTY OVERVIEW

OFFERING

Swartz Co Commercial Real Estate is pleased to offer a high-quality leasing opportunity at 471 South Cemetery St, Norcross, GA 30071. This 5.6 acre industrial outdoor storage (IOS) site presents a rare chance to secure functional yard space in the highly desirable Norcross industrial submarket within Gwinnett County.

The property is well suited for a range of industrial and commercial uses including truck and trailer parking, fleet operations, equipment storage, construction staging, and material laydown. Its location provides efficient access to major regional transportation routes, supporting smooth connectivity throughout the Atlanta metropolitan area and the broader Southeast logistics network.

Positioned within an established industrial corridor, the site benefits from strong surrounding demand and limited availability of comparable IOS inventory in close-in submarkets. This makes it especially attractive for users requiring centrally located, secure, and accessible outdoor storage space.

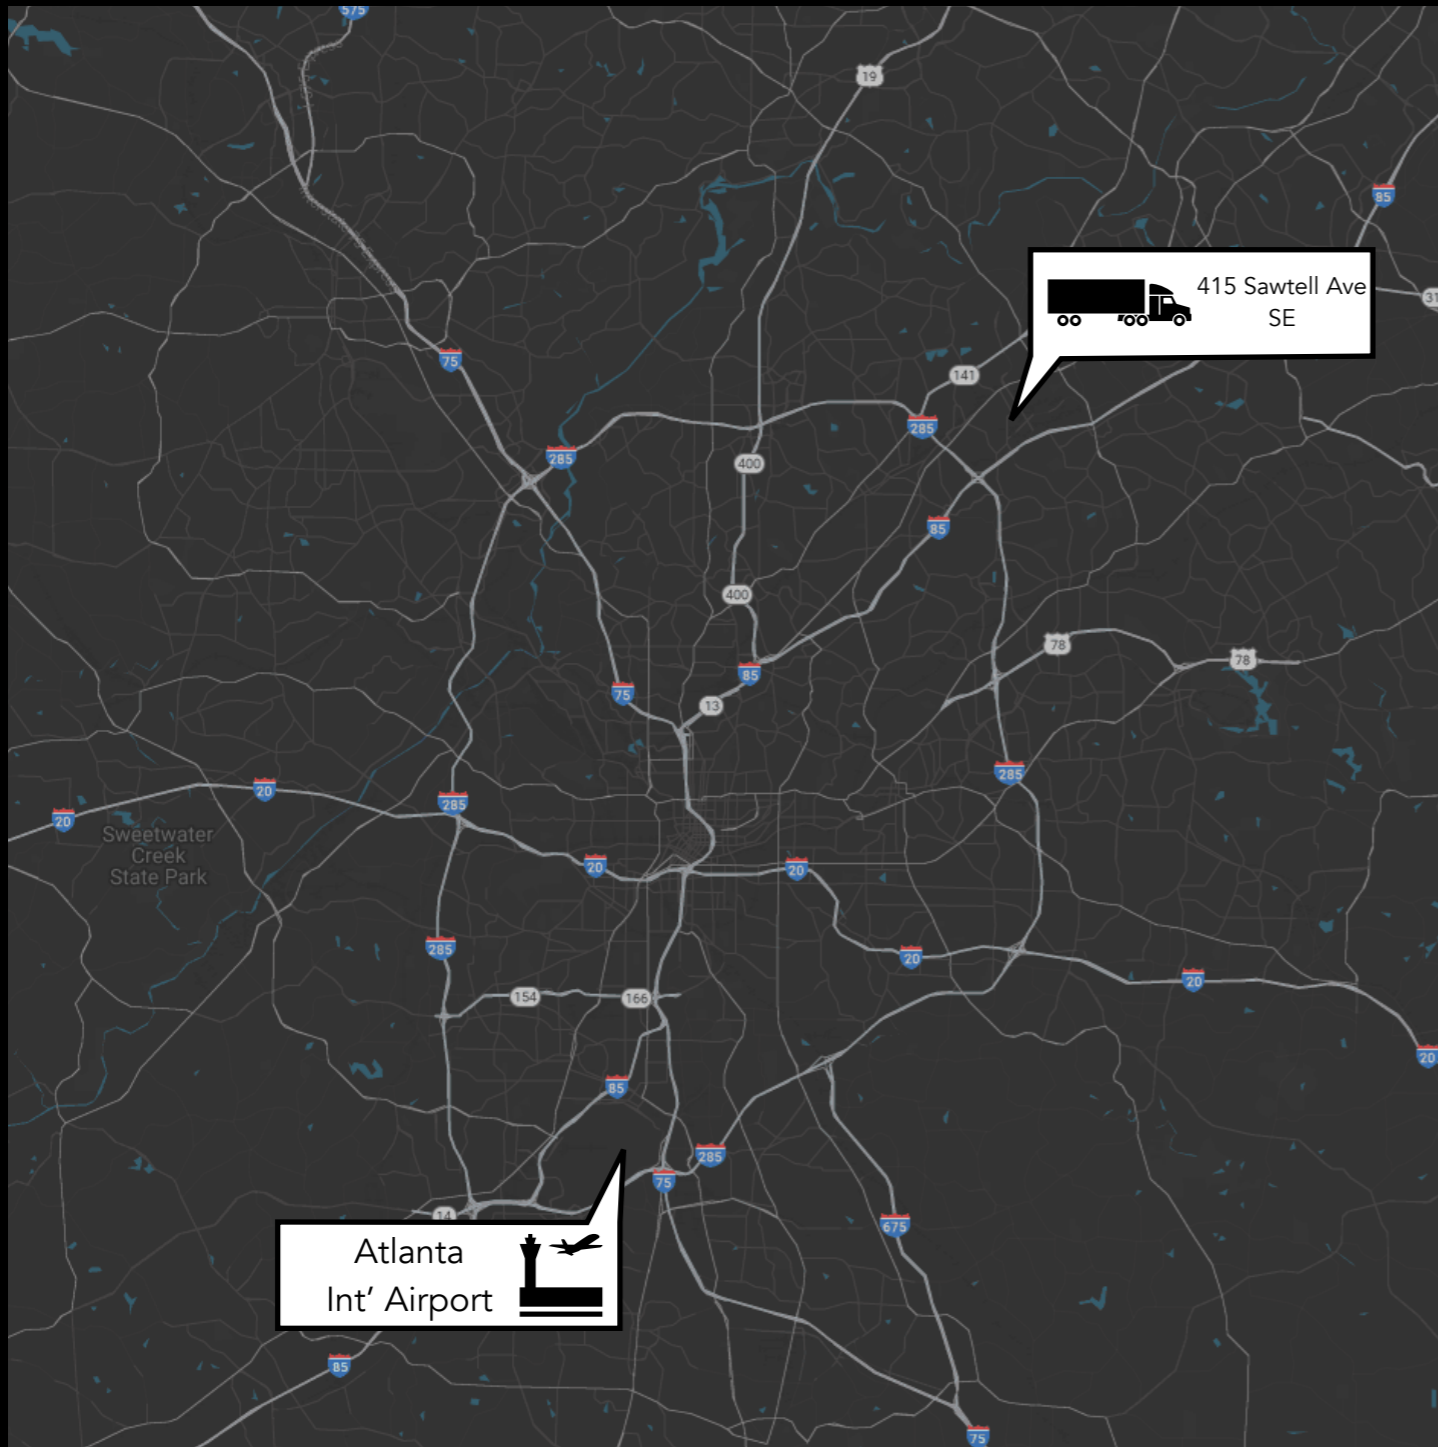

Lease Rate: \$7,500 per acre per month

// LOCATION OVERVIEW

ABOUT THE AREA: NORCROSS, GA

Norcross, GA is a well-established industrial and commercial submarket in Gwinnett County, just northeast of Atlanta. It benefits from direct access to I-85 and I-285, making it a key node for regional distribution, logistics, and service-based operations.

For commercial real estate investors, Norcross stands out for its strong tenant demand, especially from small-to-mid-sized industrial users, contractors, and fleet-based operators. The market is largely built out, creating limited supply and consistent upward pressure on rents, particularly for industrial outdoor storage (IOS), flex, and small-bay industrial assets.

Its proximity to Atlanta combined with more competitive pricing than in-town submarkets makes Norcross a strong value-add and income-producing market with stable long-term occupancy and solid investor demand.
